Dear Śrīla Prabhupāda,

Please accept my humble
obeisances. All Glories to Śrīla
Prabhupāda.

On this very auspicious day of
your divine appearance, the 127th
day today we indeed are very
blessed to have met you an event
that started our spiritual journey
otherwise tantamounting to
perpetual permanent stay in this
material world.

Śrīla Prabhupāda you indeed are
a Satya Avatar send by Kṛṣṇa to
deliver all of us fallen souls in this
material world without any doubt.

Your position can be attested by
the many actions that you have
performed.

In the Nectar of Instruction mantra
5, states Śrīla Bhaktivinoda
Ṭhākura has given some
practical hints to the effect that
an *uttama-adhikārī* Vaiṣṇava
can be recognized by his ability
to convert many fallen souls to
Vaiṣṇavism.

This is an undoubted fact as even
you are not now in physically
present among us you still are
making unlimited devotees
coming from various backgrounds
and from different countries and
continue to do so for the next
10,000 years, a feat never seen
done by any previous Acharyas.

CC Madhya 22.65: "One who is
expert in logic, argument and the
revealed scriptures and who has
firm faith in Kṛṣṇa is classified as a
topmost devotee. He can deliver
the whole world.

One time in Hawaii you were discussing how you were able to defeat the nondevotees' arguments. "I know the art, like karate," you said, "of pushing on a person's weak spot until he dies. I find their weak point and push until they die."

Another illustration of your topmost position. Only a person who is a Uttama Adhikary like you is entitled to.
Śrīla Prabhupāda you indeed are undefeatable.

As a *mahā-bhāgavata* Vaiṣṇava with transcendental eyes you are able to see who is sleeping under the spell of *māyā*, and you engage yourself in awakening such sleeping conditioned beings by spreading the knowledge of Kṛṣṇa consciousness. You open the eyes that are closed by forgetfulness of Kṛṣṇa. A service you did day and night by tirelessly producing your transcendental books again a momentous feat.

Śrī Caitanya Mahāprabhu said, "A first-class Vaiṣṇava is he whose very presence makes others chant the holy name of Kṛṣṇa." By going to the United States of America you have shown how just by your

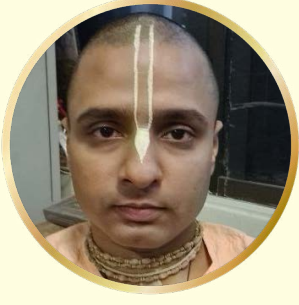

presence there and eventually the whole world you have made the Hare Kṛṣṇa Mahā-mantra a household word and made everyone dance like mad men.

Śrīla Prabhupāda anyone who fail to see your glories then he must only be an envious person. Such a person is most unfortunate as he is destined to dwell millions of years in the hellish planets and rot in the Kumbhīpāka hell and is bitten by worms as long as the sun and moon exist.

Śrīla Prabhupāda I am indeed such a person please kindly help me from this very envious position.

Continuously praying for your mercy again and again.

Your most unfortunate servant,

Dear Śrīla Prabhupāda,

Durgā disguises her curse,
Her favors are adverse;
The opulence she bestows
Brings fortune to a close.

She is the illusive counterpart
Of the Goddess of Fortune;
For the nondevotee upstart
She rains down misfortune.

Śrī Lakṣmī blesses only a devotee
Who serves Kṛṣṇa without a plea;
Others who seek Her pay a heavy
fee
From the scriptures, we clearly
see.

Rāvaṇa kidnapped Mother Sītā,
Faster than the fastest cheetah;
But he ended up with a false
replica
Who is none other than goddess
Durgā.

As a result, he was cheated,
His fortune soon depleted,

His ruin was thus completed,
That's the price of being
conceited.

A profound insight into this case
Was offered by Your Divine Grace
On how your guru was merciful
To the deceitful and the dutiful.

His disciple who wanted to enjoy
The property of the temple
Was denied the sublime joy
Of living plain and simple.

He was certainly bestowed
The temporary abode
But the power to preach
Was far out of his reach.

You were a seeming pauper
Without a dwelling proper
But you sailed the water
And saved us from slaughter.

Then you saw opulence,
But that was not material;
Arranged by Providence,
All of it was spiritual.

ISKCON is in a fabulous condition,
Of numbers, funds and
recognition;
But there is an appalling reduction
In the purity of transmission.

Cheaters are glorified,
Devotees are vilified,
Materialists flattered,
Vaiṣṇavas battered.

Dear Śrīla Prabhupāda,

Grant us the power
To spend every hour
Living by your order
Avoiding disorder.

Your unworthy servant,

Dear Srila Prabhupada,

Glory to your divine grace, Srila Prabhupada. I humbly recognize my unworthiness as your disciple, exemplified today by this last-minute and seemingly inadequate offering.

Each year, I find myself in the same situation, hastily preparing my Vyas Puja offering, imploring for your blessings to serve you, though I feel far from qualified. Then Just after the prasadam feast I again forget what I had written and go back to square one. As you have spoken many many times Maya is very strong and difficult to overcome. Please help me overcome this complacent mentality.

After judging myself honestly I am not all qualified to be you disciple then what to speak about going back to the spiritual world.

My dear Srila Prabhupada I don't know what qualities you see in me to give me chance after chance to let me render service in ISKM and serve Sri Sri Radha Madanamohan and the sincere devotees of ISKM.

Some of our festivals like Ratha Yatra and Krishna Janmashtami are growing bigger year after year

and this year 2023 it was really overwhelming especially Ratha Yatra.

I remember after the event I was completely collapsed. Without the help of sending sincere and very capable devotees to ISKM this festival would not have been possible.

I am only asking that you keep me in Krishna consciousness and keep that fire of preaching burning in my heart till I breathe my last.

Your unqualified servant,

Dear Srila Prabhupada, dear spiritual master of the entire universe.

We have gathered again to celebrate your appearance day, which is the most auspicious day for us conditioned souls.

Your appearance and disappearance are beyond the three modes of material nature.

*na karma-bandhanaṁ janma
vaiṣṇavānāṁ ca vidyate
viṣṇur anucaratvaṁ hi mokṣam
āhur manīṣiṇaḥ*

A Vaiṣṇava does not take birth under the jurisdiction of karmic law. His birth and disappearance are transcendental. The wise have declared that the servants of Viṣṇu are eternally engaged in the liberated service of the Lord and hence are free from the laws of material nature.

Hari- Bhakti-Vilāsa, 10,113
(quoted from Padma Purāṇa)

You come to the vision of our material senses and remain for some time with the sole purpose of fulfilling the strong desire of Lord Sri Caitanya Mahāprabhu. Your advent in this world is the only chance that us fallen souls have to be reinstated into our eternal constitutional position as an eternal servant of The Lord.

The śāstras state that Kṛṣṇa Himself appears in the form of the spiritual master, you are saksat daridvena. Non different than Kṛṣṇa Himself.

Due to our materially contaminated senses, we fell to understand this truth about you and thus commit offenses at your lotus feet.

Thinking you to be a person of this material world, we assume that your instructions are painful to follow or imperfect, this is due to our being foolish creatures with blunt intelligence.

We are gathered here with the aim of harvesting your mercy, we are begging at your lotus feet to speak favorably about us to Lord Kṛṣṇa. Without your causeless mercy, we will eternal remain nitya baddha.

This year, ISKM has seen tremendous growth, under the leadership of your servant, His Grace Sundar Gopal prabhu and with the determination of all your dedicated devotees, we see that many more devotees are joining the preaching mission with redoubled enthusiasm.

We pray that we might get proper intelligence on how to perform our duties and we pray to have sufficient strength and energy in doing so. Besides your service, what truth is to be found in this place of misery? We beg to realize this in its real essence.

You are the savior of the entire world and this fact will come to be known more and more as we progress in time.

The whole world will know your name and glories and will understand that your movement is the Divine Grace of The Lord

showered upon us people of the age of Kali.

There are many servants of Kali dressed as vaisnavas and posing to be your disciples, such miscreants are a great stumbling block for your pure movement to flourish. We pray to get the strength to fight such sinful persons and expose them fully so that the venom of the snake Kali no longer pollutes the nectar which you have so mercifully given us. Still, a lot is to be accomplished, we pray to have at least a little engagement in your mission.

This will happen whether we want it or not, so we humbly ask for our little speck of service to be kept as our quota.

I pray that His Grace Sundar Gopal prabhu may keep on preaching with such enthusiasm for many years and that many more exalted preachers emerge from our ISKM.

We have no claim to happiness, we are rotten and fallen, we beg like dogs to get some drop of your mercy, only then will we be happy. Otherwise, we shall remain

sad and bewildered life after life
without means of deliverance.

I bow down at your lotus feet
and pray for all the devotees
assembled here today to be
happy in your service.

Please bless all of us to develop
tolerance for one another and
understand the rareness of a
devotee so that we can learn to
serve one another selflessly.

All Glories All Glories All Glories
to you dear Srila Prabhupada!

Dear Srila Prabhupada,

I offer my humble obeisances on this most auspicious day of your appearance, even though I am an insignificant disciple. Indeed, I am unworthy to say this, but I feel your mercy in my day-to-day life, as you removing the dust of ignorance on my path to spiritual realization.

In the journey of Spiritual life, simplicity and complexity intertwine like threads in a divine tapestry. Just as reading a book may seem simple, yet understanding its profound wisdom can be a daunting task, so too is the path of spiritual awakening. In the footsteps of Srila Prabhupada, we find guidance and grace to navigate these complexities with unwavering devotion.

In the gentle pages of a book, we begin a voyage of knowledge. It is a simple act, turning each

page, absorbing the words, yet within those lines lies a depth that only the truly enlightened can fathom. Srila Prabhupada, with his boundless mercy, illuminated these texts, allowing us to grasp the profound wisdom within.

As simple as slumber may be, the dawn's call to rise early can test our resolve. Just as Srila Prabhupada's teachings awaken our souls from the slumber of ignorance, so does the practice of waking with the sun awaken our consciousness to the divine light.

Partaking in the sacred prasadam is a simple act of devotion, made possible through the diligent efforts of those who cook with love and devotion. Srila Prabhupada's blessings infuse each morsel, transforming it into a divine offering.

In the soothing verses of the Srimad-Bhagavatam, one finds solace. Yet, staying awake in

its divine presence can be a challenge. Srila Prabhupada's wisdom resonates through these sacred words, making it easier to remain attentive in his spiritual assembly.

Quarreling may come easily, but the path of cooperation is often strewn with obstacles. Srila Prabhupada's teachings inspire us to emulate the harmony of the spiritual world, where unity prevails.

Leadership, though simple in concept, requires the art of bringing all souls along the path of spiritual enlightenment. Srila Prabhupada, the beacon of humility, showed us the way by being the "Das-anu-Das," the servant of the servant.

Preaching the divine message is a straightforward endeavor, but it gains authenticity through dedicated practice. Srila Prabhupada's life exemplified this harmony, as he tirelessly preached the message of Lord Krishna while embodying it himself.

Counting the rounds on a mala is a simple ritual, yet it leads to profound meditation on the

holy names. Srila Prabhupada's unwavering devotion to the Hare Krishna mantra reminds us of the transformative power of chanting.

In this dance between simplicity and complexity, Srila Prabhupada's mercy shines as a guiding star. Just as he urged us to seek a bona fide spiritual master, we are blessed to have had him as ours. He was a beacon of wisdom, a spiritual luminary who illuminated our path with the mercy of Lord Krishna. His realization of scripture's truths and his ability to share them continue to inspire generations.

May we forever cherish Srila Prabhupada's legacy, taking shelter in his teachings and embracing the profound wisdom he bestowed upon us. Through his grace, we find the strength to navigate life's complexities and walk the path of spiritual enlightenment.

The importance of hearing
of the pastimes of the Lord is
stated by Śukadeva Gosvāmī
to Mahārāja Parīkṣit. My dear
King, in the place where pure
devotees live, following the rules
and regulations and thus purely
conscious and engaged with great
eagerness in hearing and chanting
the glories of the Supreme
Personality of Godhead, in that
place if one gets a chance to
hear their constant flow of nectar,
which is exactly like the waves
of a river, one will forget the
necessities of life—namely hunger
and thirst—and become immune to
all kinds of fear, lamentation and
illusion.

Therefore it is the
recommendation of Caitanya
Mahāprabhu that one should
simply hear from authorities who
are actually devotees of the Lord.

Neophytes in devotional service must always alertly understand Kṛṣṇa through the vision of the revealed scriptures, the bona fide devotees and the spiritual master. Unless one hears about Śrī Kṛṣṇa from such authorities, one cannot make advancement in devotion to Śrī Kṛṣṇa. The revealed scriptures mention nine means of attaining devotional service, of which the first and foremost is hearing from authority. One should submissively receive the transcendental messages from spiritually advanced sources and chant the very same messages for one's own benefit as well as the benefit of one's audience.

*śāstra-yuktye sunipuṇa, dṛḍha-
śraddhā yānra
'uttama-adhikārī' sei tārāye

"A person who is expert in understanding the conclusion of the revealed scriptures and who fully surrenders to the cause of the Lord is actually able to deliver others from the clutches of material existence." Śrīla Rūpa Gosvāmī, in his Upadeśāmṛta (3), advises that to make rapid advancement in the cult of devotional service one should be

very active and should persevere in executing the duties specified in the revealed scriptures and confirmed by the spiritual master. Accepting the path of liberated souls and the association of pure devotees enriches such activities.

Thank you Śrīla Prabhupāda for giving me the mercy to be in close association with HG Sundar Gopal Prabhu for more than a month, even though i am so unworthy. This association has helped me so much in strengthening the understanding enunciated by the above verses. The approach HG Sundar Gopal Prabhu takes in answering any question, by just quoting various verses from the scriptures, is more than sufficient to clear any doubt and helps us in better understanding our true purpose.

This one month of very close association with Prabhu has showed me how austere one can and should live, which aids immensely in making spiritual progress even for an unworthy and very fallen soul like me. Attending Mangala Arati and chanting my rounds has become so easy, blissful and enjoyable by the strength of his association. His

attention to detail in any of our devotional activities and sadhana is impeccable and has taught me immensely.

It was truly a very blissful experience associating with HG Sundar Gopal Prabhu. He just knows how, what and in which tone to tell each type of person he meets, and they eventually get mesmerized. He changed the hearts of several people and made them to attend Mangala Arati and also to start following the regulative principles. This shows how much empowered and advanced he is. Thank you once again Śrīla Prabhupāda for empowering him and also guiding a fallen soul like me to him and giving me an opportunity to serve your beloved devotee in whatever small possible way.

I beg you to instruct and guide me and give me the strength, perseverance and determination to serve you, to chant the Hare Krishna Maha Mantra offenselessly, have darshan of the Deities, have association of devotees, visit Holy dhams, read more and more of your books and grow my devotion to you. I beg for your mercy so that we can serve

you more and more and spread your mission to more souls.

Śrīla Prabhupāda, thank you once again for showing us the right path so that we could get the association of great souls like HG Sundar Gopal Prabhu, HG Tattvavit Prabhu and other senior vaishnavas at ISKM to guide and help us truly follow your instructions. Due to the association of ISKM now with Your mercy, i am now able to read Your books which i was not able to all those earlier years. Please continue to show me Your mercy and inspire me to continue to read. Thank you for showing us the extreme importance of daily Mangala Arati and following the regulative principles through HG Sundar Gopal Prabhu.

Gone by another year
Your mercy has mitigated fear
Of family and so-called dear
Now that in your abode, I'm here!
Your mercy has changed my life so
much

Even though I don't deserve
anything such
Now in your temple, in your place
Oh, wow! Such merciful Grace!

Just when I thought it was rosy
My life would be so comfortable
and cozy
You remind, "It's not so easy,
Spiritual life is never for anybody
so breezy"

"Must work hard, must mold the
self
Nothing is going to happen by
itself
Must use your intelligence a bit
more
To serve Kṛṣṇa, it's not like
before."

As you say, "The training must be
there"

I must in my heart forever bear
That I cannot advance without
training
Without training there's no
sustaining"

By your presence here in ISKM
Your sincere disciples, so many of
them
Here to help me on my path

Back to Godhead, away from
wrath

As you say, your disciples sincere
Make it sure and make it clear
There's no training without no
scold
Accept it correctly, advance
manyfold

Śrīla Prabhupāda, I'm just a baby
Instance where I commit offence
may be
But this to you I sincerely pray
May I never ever go astray

Prabhupāda, may I always focus
ahead
Advance in bhakti, as you said
Never leave the devotee
association
Understand this is the real
education

Now made formal, I'm your
servant
This prayer I make very fervent
Come what may, I may never roam
Simply catch your dhoti, go back
Home

Mind is crazy, so uncontrolled
This has been so many times told
By your mercy try to tame and

Dearest Srila Prabhupada,

Thank you very much for your
guidance in helping me thru this
transcendental devotional service
without which I will not be able to
understand the importance of it.

Learning to know a person in
Krsna Consciousness and a

person in bodily consciousness,
the difference is that Krsna
Consciousness is attached to
Krsna whereas the latter is
attached to the results of the
activities.

As I have read in the Bhagavatam,
the cause of anxiety over the
result of an activity is due to one's
functioning in the conception
of duality , that is, without
knowledge of the Absolute Truth.

All that exists is Lord Krsna's
energy and Lord Krsna's energy
is all good therefore activities
in Krsna Consciousness are on
the absolute plane, they are
transcendental and have no
material effect.

One is therefore freed with peace
in Krsna Consciousness. One who
is entangled in profit calculation
for sense gratification cannot have
that peace.

This is the Secret of Krsna
Consciousness - realisation that

there is no existence besides Lord Krsna is the platform of Peace and Fearlessness.

Thank you very much Swami Srila Prabhupada for all the spiritual books you have transcribed and written which feels very blessed with every readings.

Dear Srila Prabhupada,

dear Divine Grace Dear spiritual
Master, please accept my humble
obeisances on this auspicious
day. All glories to your Divine
Personality.

Since I am born in this material
world to suffer from all miseries, I
was searching an easy way for my
real happiness. Then you came to
me to guide in the right direction
and show me where is my original
home-back to Godhead.

In BG 18.68 Krishna says:

*ya idaṁ paramaṁ guhyaṁ
mad-bhakteṣv abhidhāsyati
bhaktiṁ mayi parāṁ kṛtvā
mām evaiṣyaty asaṁśayaḥ*

“For one who explains this
supreme secret to the devotees,
pure devotional service is
guaranteed, and at the end he will
come back to Me.”

How much fortune is a human
being that you guide him through
your instructions and books? It
is a very rare opportunity to get
a spiritual master like you, who
is representative of Supreme
Personality of Godhead. In BG
4.34 Krishna speaks about
importance of having a spiritual
master:

*tad viddhi praṇipātena
paripraśnena sevayā
upadekṣyanti te jñānaṁ
jñāninas tattva-darśinaḥ*

“Just try to learn the truth by
approaching a spiritual master.

Inquire from him submissively and render service unto him. The self-realized souls can impart knowledge unto you because they have seen the truth.”

Spiritual master is an institution, he is an authority and disciple is responsible to follow him by rendering service to him. You came to me in a moment when I didn't realize what is the main goal in the life. I used to live day by day to sacrifice for sense gratification, but this never made me happy. I don't know even that I deserve this special mercy to become your disciple ,because I do so much nonsense instead of doing more devotional service to please you. I am very thankful that by your Grace I am engaged in devotional service. Many times I come to the temple or I have to do some service, but I am not in mood and my mind is so much distracted. Why I should be busy with so many plans and calculations which only give temporary relief to my problems. My only bussines must be to make you happy. What is the point to cry to lament for things which affect my spiritual progress and chanting?

Dear Srila Prabhupada I wish I could be your eternal servant

not only in this life, but in next as well. I only can beg your mercy to bestow upon me to become more consciousness, because the mind is so much polluted and the senses are defected.

In SB 1.1.10

*prāyeṇālpāyuṣaḥ sabhya

“O learned one, in this iron age of Kali men have but short lives. They are quarrelsome, lazy, misguided, unlucky and, above all, always disturbed.”

People in Kali Yuga are not only materially lazy, but also neglect their spiritual life, they forgot completely their relation with God.

You have given me so much transcendental instructions, but I am still struggling to follow in my life.

I only can beg dust from your feet to reach to me and mercy to become serious in executing service, to be always ready to serve you despite the conditions I live.

Srila Prabhupada you are the dearest servant of Krishna and without your mercy I will not be part of ISKM today. I cannot describe the happiness and bliss to have an association of so great devotees. Thanks to our President of Sri Krishna Mandir His Grace Sundar Gopal Prabhu and President of Pondicherry temple Prahlad Bakhta Das Prabhu, the society of devotees grow so fast, we establish preaching centres and we become stronger every day.

I was foolish person thinks that if I am the richest one and the most powerful, I will live forever. I didn't realize that death can come at any moment and neither my intelligence nor the money will help me.

Even with all my power I will not be able to conquer the death. Death will not allow me to carry anything of this world. Whatever I have accumulated I will be enforced to leave this place. I will have to leave my family members and my friends.

I feel my dear spiritual master that whatever I service do, my heart is still full with lust, greed, pride, anger, envy, illusion and false ego.

I came to this material world forgetting about my real real connection with Krishna. I wanted to be away from Krishna. I was selfish. Today also when I know by your books that I am not this body, but spirit soul then with utter shame, I want to admit that I am still in bodily concept. Whatever I do I do it for myself. I always think about myself. How much the soul suffer to choose this female body which is only after material comfort. My mind is very passionate and the biggest problem is that I don't take proper instructions. I only promise and then I repeat the same mistakes, which prove I am not a good disciple. I wish I could not die because as a soul I am eternal. Dear Srila Prabhupada, please shower your mercy upon me that in whatever situation and circumstances at least I will be able to continue chanting the Hare Krishna Mahamantra minimum 16 rounds a day without fail. And I never break any of the four regulative principles.

I pray at your lotus feet millions of time again & again to free me from the clutches of my mind. There are so many wonderful devotees in ISKM who are doing high class service for Krishna as per your instructions. But most of

my time gets wasted in struggling with my life. Please bestow your mercy upon me so that I may also do at least something for Krishna. The first quality of a devotee is that he does not have any selfish motive. He does not have any enjoying mentality. But I enjoy my life without Krishna, without you and without the devotees. I am in a helpless situation because of my mind. I know that as long as this material body remains, I will have to live with my mind. So, the only way to defeat the mind is to purify it. And I do not have the willpower and purity to purify my mind.

Dear Srila Prabhupada, I beg at your lotus feet to purify my mind free me from the clutches of my evil mind.

And shower your unlimited mercy upon me so that I can serve Krishna selflessly, I serve you selflessly, I serve the devotees selflessly and I serve the entire humanity selflessly.

Dear Srila Prabhupada, I am eternally grateful to you for all you have given to me. I am not qualified enough to express it in proper words and to glorify your Divine personality. How much shameful is if a devotee

thinks that you are an ordinary person. You are not an ordinary spiritual master, you are a king of spiritual knowledge, you are a top Acaraya and you first spread the movement in western countries for condition souls like me.

Today the whole world especially the devotees are celebrating your Vyasa Puja. On this most auspicious day, And I beg you to continue guiding me forever. Dear Divine Grace please forgive me for any offense I commit in front of you and all devotees. I wish to continue my spiritual journey always enthusiastic with clear mind and heart and carry your order in every challenging moment.

Dear Śrīla Prabhupāda,
Please accept my humble
obeisances. All glories to you!

Dear Śrīla Prabhupāda, You are
a paramahansa devotee and
you descended only to shower
your mercy on the fallen souls
like us. You took the words
of your spiritual master Śrīla
Bhaktisiddhanta Saraswati Thakur
Śrīla Prabhupāda,, sincerely and
spread the holynome to the entire
world. In your old age you never
bothered about your humble self
nor your bodily comforts, but
worked hard sincerely to establish
Lord Chaitanya's movement every

corner of the world. Your books
are so potent and how anyone
who comes in contact with your
vani immediately arouse in their
Krishna Consciousness. That's the
magic of your association through
your books. Your appearance day
is the most sought day and it gives
us so much pleasure to be under
your guidance and shelter. Your
pastimes are eternal and you are
saving so many in other universes
right now, those who get your
association are so fortunate.

Those who get your service are
so fortunate. Please give me
that fortune of engaging in your
service dear Śrīla Prabhupāda!

Dear Śrīla Prabhupāda, I am so
unfortunate and get affected by all
the external situations. I humbly
beg at your Lotus feet to please
bless with the enlightenment of
how to be not disturbed in the
midst of all calamities and serve
your mission. Please guide me
with the vision to see what pleases
you.

Engaging in your service cent percent seems impossible. But if you bless me with a drop of your mercy it can happen. Please bless me with in person devotees association of your sincere servants so I can learn to serve them and you nicely the way you wanted us to serve you. I am a fool and a rascal, future is hopeless but your mercy is the only hope all I have.

Thank you Srila Prabhupada for letting me know the existence of solution to all the material problems. Before coming to kc, i was struggling day and night very hard for existence and to become happy, but you really gave a solution. Thank you for making me accept my real nature. You taught the real meaning of intelligence. You really gave unlimited opportunities to dance to sing to celebrate as if a big continuous party is going on. You are my father who is taking me to Krishna. Just by one philosophy you established equality, humanity, socialism, religiosity, liberty all at one go. I am forever indebted to you for giving me this philosophy. You gave a very big gift to this whole world by setting up International society for Krishna conscious. Sometimes I realise that we just have to follow your instructions, facilities you will give. But still unfortunately, I keep going back and forth in my

spiritual journey, I fall down very frequently. I beg your mercy to follow your instructions very nicely and strictly. I hope that wherever I go, wherever I am, I am able to glorify you.

Dear Srila Prabhupada,

Dandavat Pranam. Please accept my humble obeisances at your lotus feet.

With your blessings, I have been able to chant the Hare Krishna Maha Mantra into my daily routine for the past 3-4 years. Most recently, I have made a significant advancement in my spiritual practice by honoring only Krishna Prasadam for the past six months. While I understand that my practices might not be on par with those of senior and dedicated devotees, I see them as your mercy manifesting in my life and remain committed to improving.

Your vast repository of books has been a guiding light, though I confess my reading has not been consistent. I now pledge to dedicate a minimum of 30 minutes each day, to study your writings. I pray for your blessings

to remain steadfast in this commitment.

For the past year, I have been fortunate to be a part of devotees and together we have consistently hosted monthly satsangs, sharing your wisdom and prasadam. We also actively participate in book distribution at least once in two months at nearby temples. My heart wants to please you, Prabhupada, but I am often gripped by the fear of inconsistency in my services. I pray for your blessings to maintain steadiness in these devotional practices.

Dear Prabhupada, a heartfelt prayer I carry is for my family to receive your divine mercy. If it is your wish, may they be blessed with your grace to understand and join me in this spiritual journey. My aspiration is, for us, as a family, to collectively serve your mission and spread the glories of Lord Krishna.

Lastly, I express my profound gratitude to you, Srila Prabhupada. By sharing your teachings, I have received praise and recognition from my relatives and friends. While I am thankful for these affirmations, I remain aware of the danger they present in adding to my ego. I request you to help me stay humble and grounded, reminding myself that any wisdom I impart is but a reflection of your teachings.

May my every action and thought be in service to you and Lord Krishna.

Dear Srila Prabhupada, kindly accept my humble obeisances at your lotus feet. All glories to you.

Your glories are unlimited to define and your presence in this material world is the greatest boon for the man kind. Your only mission is to fulfil the desire of Lord Chaitanya Maha Prabhu and your beloved spiritual master Om Vishnu-pada pramahansa parivrajakacharya ashtottara-shata Shri Srimad Bhaktisiddhanta Sarsvati Goswami Maharaj, which is to spread Krishna consciousness all over the world by preaching.

Your preaching is going on endlessly for collecting fallen souls of this age of Kaliyuga for bringing them back into Krishna consciousness which is only right of the soul.

Your books are only source of enlightening for us and also sending many of your beloved disciples to acting as instruction acharyas to give personal guidance for most fallen souls like myself.

Because of your causeless mercy only, I am getting wonderful association with your beloved disciples like HG Sundar Gopal Prabhu, HG Tattvavit Prabhu and all other devotees of ISKM (International Sri Krishna Mandir).

Despite of all wonderful arrangements set in place by your causeless mercy, I am always failing make use of it to fulfil your order and always falling down due to my enviousness, arrogance and ignorance nature. I am disrespecting you in all means by disobeying your orders.

My dear spiritual father, kindly please forgive me for all my offences being done and give me strength to serve all your beloved

Humble Poems dedicated to beloved Srila Prabhupada

(1)
My dear His Divine Grace,
You are very dear to the son of
Yaśodā Nanda Mahārāja, who is
the king and queen of Vraja,
My dear Śrīla Prabhupāda,
you are in the shelter of Śrī Śrī
Gaurāṅga Nitāi who is the most
personification of the merciful
incarnation in the age of Kali,
And dearest disciple of Śrīla
Bhaktisiddhānta Sarasvatī
Ṭhākura,
Please accept my humble
obeisances to your lotus feet. All
glories to you.

(2)
My dear Lord,
Your Bhagavad Gita As It Is
changed my life,
Through Kartikeya Temple in
Malaysia,
Realised my purpose in life
through reading your books,
Understand that you are the
source to attain Kṛṣṇa’s lotus feet.

(3)
My dear spiritual master,
Introduced myself in your Hare
Kṛṣṇa movement through your
vani,
ISKM is another of your divine
blessings that came to my life,
Transform my whole life into
Krishna Consciousness,
From a small village, I traveled to
overseas about more than 500 km
for the devotee associations,
That was my first success in my
spiritual practice after so much
interference from my family.

(4)
Oh Lord, you are more merciful
than Lord Nityānanda,
Please engage me always in your
services,
I am so fallen because of my
ignorance,
By mercy and blessings of
devotees, surrender to your divine
lotus feet,
Keśava Kṛṣṇa Dāsa was given a
spiritual name in ṛtvik harinam
initiation last year,
And be part of the ISKM family
who solely follow your divine
instructions,
I am fully convinced that you
are the sole dīkṣā-guru in this
movement.

(5)

Oh Lord, without your mercy, one
cannot please Lord Kṛṣṇa,
yasya prasādād bhagavat-
prasādo,

Oh, my dear spiritual master, you
are the guru-kṛṣṇa-prasāda,
Lord Kṛṣṇa said that after many
births and deaths, he who is
actually in knowledge surrenders
unto him,

But to get such a merciful spiritual
master,

I can go through the birth and
death cycle and sufferings,
again and again, to just become
the servant of the servant of
the servant of the servant, oh,
hundred times servant of you, my
dear Srila Prabhupada.

To my Dear Spiritual Master - His
Divine Grace AC Bhaktivedanta
Swami Prabhupada.

My spiritual master is an ocean
of mercy, friend of the poor, lord
and master of the devotees.
Your mercy is self manifest
through your instructions and as
a disciple I feel indebted by how
much you have given all of us.
During the course of the year, I
have witnessed that by actually
following your instructions strictly,
it is possible to remain on the
platform of Krishna consciousness
undisturbed. Your words are a
source of inspiration each and
every day and over the course of
time your intellect and brilliance
is manifest in the purport of
your books. All of your purports
are nectar to the ears Srila
Prabhupada and I consider myself
fortunate to have the opportunity
to get associated with your works
of brilliance.

Thank you Srila Prabhupada
for all you have given. On the
auspicious occasion of your
divine appearance, I pray to your
lotus feet that I continue following
your instructions strictly and assist
as many souls as possible in your
divine mission of spreading this
sankirtan movement. I will be
unable to do this without your
mercy and the mercy of the senior
devotees who serve you and
strictly follow your instructions.
Please bless me and my family
and all my well wishers with your
mercy to lead a Krishna conscious
life. I would like to offer this poem
in gratitude to you.

In reverence and gratitude, my
heart now sings,
To Srila Prabhupada, the soul's
guiding wings.
With ink and wisdom, he scribed
truths divine,
A beacon of light, his words
brightly shine.

Through sacred verses, his pen did flow,
In the pages of knowledge, we joyfully grow.
Bhagavad Gita's wisdom, like a gentle breeze,
Guides us through life's storms, with inner peace.

In Srimad Bhagavatam, the nectar we taste,
Stories of devotion, with love interlaced.
With each page turned, a new revelation,
A deep, profound spiritual transformation.

His books, a treasure trove of wisdom and grace,
Illuminate our souls, at a steady pace.
With timeless teachings, our hearts he'd touch,
With love and compassion, he'd inspire so much.

Oh, dear Srila Prabhupada, your instructions pure,
Like a river of love, they forever endure.
In temples and hearts, your legacy lives,
Guiding generations, as devotion thrives.

A community woven by bonds of devotion,

United in love, like a vast ocean.
Your vision transcended borders and creed,
A global family, fulfilling a sacred need.

With humility and dedication, you'd impart,
The essence of love that expands the heart.
In every disciple, a spark you'd ignite,
A flickering flame, glowing ever so bright.

We bow in gratitude, for your compassionate grace,
For gifting us wisdom, a divine embrace.
Your presence lingers, though you may have left,
In the hearts of your followers, forever kept.

In the garden of devotion, you sowed the seeds,
A legacy blooming with sacred deeds.
Dear Srila Prabhupada, eternally we'll hold,
The love for you, more valuable than gold.

Your Servant

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories to you. Thank you very much for allowing me, the most insignificant soul to become your disciple. Being separated from poojari service of the deities in Singapore temple and devotees association, I feel sometimes low. Nonetheless, you are living in your books and always guiding and giving me immense strength through your comprehensive books and lectures.

In addition, I am ever grateful to you for bringing me into the association of such wonderful devotees of ISKM. Because of tireless efforts of HG Sundar Gopal prabhu, HG Tattvavit prabhu and all other devotees, though we are far from Singapore, various zoom classes and online session are helping us to increase our devotion. Moreover, I understand importance of following your instructions more now after devoid of devotees association and I admire HG Sundar Gopal prabhu for being sincere disciple of yours. Also because of your causeless mercy, I was able to start book distribution in Tampa, Florida but had to pause due to some inevitable conditions. Nevertheless, we will resume the book distribution and prasadam distribution programs soon by your grace.

Finally, on this auspicious day
of your divine appearance day,
I would like to thank all the
devotees from the bottom of my
heart for guiding me and beg
forgiveness from each and every
ISKM devotee for the offences
committed by me. Kindly continue
showering your mercy upon me so
that I can serve you better.

auspicious day of His Vyaspuja.
All Glories to you.

In the heart of devotion, a sage
did appear,
His name is Srila Prabhupada all
he drew near.
With wisdom profound, and a
heart pure and bright,
He brought forth the Bhagwad
teachings of spiritual light.

From Vrindavan's soil to the
western shore,
He carried the message of love
evermore.
With Gita in hand, and a heart full
of grace,
He showed us the path to a higher
embrace.

In a world filled with chaos, he
stood strong and tall,
Spreading the Hare Krishna maha
mantra to one and all.
Through challenges and trials, he
never did wane,
His faith in the Lord Krishna
forever remained.

With humility and love, he
touched every soul,
Uniting the lost with a single,
divine goal.
He built temples and communities
strong,
Where seekers of truth could all
sing along.

In his presence, a saintly aura did
gleam,
Guiding us all to the ultimate
dream.
Srila Prabhupada, your legacy
lives on,
In the hearts of those who to your
teachings, are drawn.

So let us remember this sage, ever
kind,
Love for Lord Krishna he has left
behind.
In the name of devotion, we all
forever sing,
Hare Krishna, Hare Rama, to you,

Srila Prabhupada, your light shines
so bright,
Guiding us all towards spiritual
flight.
In your footsteps, we'll continue to
tread,
With love in our hearts, Kṛṣṇa

There is no way that this fallen and foolish conditioned soul can glorify your mercy, because of your mercy only i am still able to chant hare Krishna maha mantra, follow 4 regulative principles and associate with devotees.

In my regular devotional service and worshiping deities i am doing a lot of mistakes to execute those

rules and regulations given by you prabhupada. Kindly forgive me for all the knowingly & unknowingly mistakes what i am committing in my daily devotional service.

Srila prabhupada, as the days are passing i am realising your importance and your valuable books given to us but unfortunately i am not reading regular basis because of my materialistic things even associate with devotees without reading your books can not progress in devotional service. You are the saviour of the entire world because you took all the troubles and pains to preach this Krishna consciousness.

Dear Srila Prabhupada,

Please accept my humble
obeisance at your Lotus feet.
You are the most confidential
dear servant of the Supreme Lord,
Kṛṣṇa. You appeared in this world
to deliver the conditioned souls
who have fallen into the deep &
dark well of ignorance.

I was aimlessly wandering in this
world trying to look for pleasure.
Some told me that the only way
to be happy in this world is to
become materially successful. "If
you have power and position and

possessions, then you will become
the happiest person in the world."

I thought I got the formula to be
happy and peaceful in this world.

But during the course of my
journey I found that happiness
eludes me. When I looked at
the life of so-called materially
successful people, I found that
they too are miserable. Although
they might not be aware of it. And
the one thought which always
haunted me was that even if I
become the richest person on the
planet earth, even if I become
the most powerful person on
this planet earth, it won't last for
long. Any day without any prior
information death will come
knocking at my door and will take
me away.

With all my intelligence I will
not be able to save my life. I will
not be able to bribe death with
all my wealth. And even with

all my power I will not be able to overpower death. Death will not allow me to carry anything of this world. Whatever I have accumulated I will be forced to leave here. I will have to leave behind my family members and my friends.

What is the value of money, power, and position in this world? All are useless.

So, what should be done? What is life? Who am I?

I had no answers for all this

I read several books of the scientists to know about the world. It did not give me any answer. I turned towards many religious people, read their books but did not get any satisfactory answer.

And then I met the devotees of Krishna Mandir . I was desperate to know the truth. They gave me your books. I began reading your books, hearing your lectures. In started attending the classes.

When I read your books, I found that it is filled with pearls of wisdom. For the first time ever in my life, I found that your books,

your lectures have all the answers to all my questions. The answers were convincing, filled with logic. The more I read your books, more I heard your lectures, more I read about you my love for you kept on increasing.

I was wandering in the forest filed with thorny bushes and venomous serpents. But like a caring father you held my hand and revealed to me the most important secret which was the cause of all my sufferings.

You revealed to me that I belong to Krishna. Krishna is my father, my mother, my friend, my best well-wisher. You told that Krishna is the Supreme Lord; he is the Supreme Truth. But unfortunately, I left him to enjoy away from him. You also revealed to me the spiritual world and told me that I belong to the spiritual world which is eternal and full of bliss. This temporary material world is not my original home, but the spiritual world is my original home.

Dear Srila Prabhupada, I am eternally grateful to you for all you have given to me. I am not qualified enough to express it in proper words. Or I think there are

not enough words which can ever glorify you.

Today the whole world especially the devotees are celebrating your Vyasa Puja. On this most auspicious day, I just want to say "Thank You" for everything. And I beg you to continue guiding me forever.

Dear Srila Prabhupada, please shower your mercy upon me that in whatever situation and circumstances I may be in I continue chanting the Hare Krishna Mahamantra minimum 16 rounds a day. And I never break any of the four regulative principles.

And shower your unlimited mercy upon me so that I can serve Krishna selflessly, I serve you selflessly, I serve the devotees selflessly and I serve the entire humanity selflessly.

On this auspicious occasion of
Vyasa puja, I would like to express
my heartfelt gratitude to you for
blessing me with your causeless

with the Krishna Consciousness
movement. Only because of your

divine instructions I am able to
understand the real purpose of
human life.

I am reading your books seriously
in my own capacity and following
all four regulations.

Chanting my rounds from 0530
to 0930 hrs and in between from
0700 to 0730 Guru puja.

I still must start deity seva in
temple which I have to do. I have
Laddu Gopal deity at Home,

I am ever so indebted to you
for the most precious gems, i.e.,
books on Vedic knowledge, in
English language in the form of
Bhaktivedanta purports you have
written with painstaking effort,
unambiguous and crystal-clear
instructions, invaluable advice in
your lectures, room conversations,
etc.

In one morning walk you were asked: Paramahaàsa: Śrīla Prabhupāda, when you are not present with us, how is it possible to receive instructions, for example, on questions that may arise?

Prabhupāda: Answers are there in my books.

Paramahaàsa: Other than that, for example, that we would ask you in... Do you direct us also through the heart? Besides the Paramātmā?

Prabhupāda: If your heart is pure. Everything depends on purity.
===== REF. Morning Walk May 13, 1973, Los Angeles.

We pray that you continue to shower your mercy upon us and empower us to follow the path of bhakti with steadfast dedication and humility. We beg you, please, may we become humble instruments in your mission to spread Kṛṣṇa's mercy and help others become Kṛṣṇa conscious and engage in His loving devotional service. We sincerely pray for your blessings to be

focused on productive activities in devotional service.

Thank you, Srila Prabhupada, for the wonderful gift of devotional service which you have given me. Please inspire me to follow in your footsteps. I beg you for intelligence, expertise, forbearance, and compassion.

Please allow me to remain your servant eternally.

My Dearest Srila Prabhupada

Please accept my humble obeisances at your lotus feet. All glories to Your Divine Grace. Thank you, Prabhupada, for

accepting me as your disciple. I vividly recall the day I first encountered your 'Bhagavad Gita As It Is. During those days, I grappled with numerous problems, often shedding tears as I questioned my purpose and the reasons for suffering in this world. The first time I heard your kirtan, I felt a divine voice something that touched my heart. It made me calm and peaceful. Your Kirtans and books helped me confront the issues I faced two years ago.

Before discovering you and your 'Bhagavad Gita As It Is. I was an atheist, unsure of why or how to worship God if indeed God existed. Although I had heard

from many that God appears in various forms and performs everything, I remained puzzled about who the real God was but when you told me that Krishna is the Only God, The Supreme Personality of Godhead. I accepted it wholeheartedly. I decided that if you are saying Krishna is the God he must be the God. I had no doubts about it.

Now that I have come to know that Krishna is God. Yet, I was unsure about how to worship and approach Him. I was thinking about it but then I listened to one of your lectures where you said Praying is important Pray to Krishna and if you don't know what to Pray then Pray what to Pray and if you don't how to Pray then you pray how to Pray. So, I started praying to Krishna but you also said without a Guru we can't approach Krishna directly so I thought that if I got to know about Krishna then You

would be my Guru. I started Praying to Krishna please guide me to Prabhupada.

I started reading and listening to you. I used to ask many questions in my mind. What if you were here physically? I could ask you, but soon I got to know that you're already answering my questions through your lectures, videos, and books. Even something as simple as how to wear a tilak. In every step, you were guiding me. I have a lot of experiences where I could feel you with me.

Although I got to know about You only 2 years ago, I always had the feeling that I've known you for many years or maybe many lifetimes - 'Janme Janme Prabhu sei.' When I first started chanting, I used to chant only 4 rounds, but even 4 rounds were a lot for me. I used to think, 'Prabhupada has said 16 rounds daily, but I'm struggling with only 4 rounds. How will I be able to do 16 rounds?' So, I started praying to you for strength so that I could chant 16 rounds. Soon after, I started chanting 8 rounds and then quickly progressed to 16 rounds. I have many things to say to you, but I will conclude this letter with one of my latest experiences. I used to read and listen that

when you are giving initiation to someone, you give them a name they've always wanted. Somehow, you knew what the other person wanted as a name, and you gave it according to their wish. So, since last year, I have wished for the name 'Patita Pavana Dasa' as my initiation name. I used to think how wonderful it would be to receive this name. When you accepted me as your disciple last month and I finally received the name, I was surprised and convinced that you know everything. As you say, Krishna is seated in everyone's heart and knows everything about what we want and what we do. There is always a connection between Guru and Krishna. So, thank you, Prabhupada, for giving me the name I had longed for.

Now that you have accepted me as your disciple, even though I feel I'm not qualified, I'm unsure about how to offer you a Vyas Puja offering. Kindly guide me in serving you and pleasing you.

Thank you very much, Srila Prabhupada. All glories to your divine lotus feet.

Yours most Fallen Servant of a Servant,

Dear Śrīla Prabhupāda
Please accept my humble
obeisances !
All glories to you !

Another year has passed
With your blessings amassed

The devotees have been kind
To help , encourage and bind

Your mercy has been unbound
Despite my fallacies so profound

In the quest of surrender my plight
is poor
But under your shelter there is
hope for sure

Plagued by the inertia of sinful
qualities.
I fall prey to my enjoying
propensities

I am infested with various
infirmity
With you I find strength and
vitality
By your grace the darkness of

ignorance is slayed
basking in the light of knowledge
I can move ahead

Navigating material and spiritual
pursuits, afflicted with Ambivalent
emotions of hope and despair
I pray fervently for your guidance
and care.

By your grace there is no dearth of
service
The only means to the end of all
the vice.

But let not service turn into pride
So Seek your blessings and your
chide

Let not chide turn into resentment
Instead take it in the spirit of self
improvement

Help me to take responsibilities to
teach the young and new , a little
what I know
By seeking guidance from Seniors
on the Path that they show

Words may fail. My poetic fervor
can be feigning and discordant.
There is no ode or homage that
can truly capture your glories
which I wish to express.
I can even try to move the
mountains but cannot thank you
enough , because...

You have always bestowed your
mercy on this lowly soul.
But, greedy Prīti Gaurāṅga dāsa
will continue to ask for more with
a big begging bowl

Your so very unqualified servant.

celebration.

Dear Srila Prabhupada please
accept my humble obeisance on
to your Lotus Feet.

In 1965 at advance age of 69 you
went to US on board cargo ship
named Jaladuta. You brought a
suitcase, an umbrella, a supply of
dry cereal, about seven dollars
worth of 40 rupees and several
boxes of books. During the
journey you suffered sea sickness,
dizziness, vomiting also 2 heart
attacks, your life almost in danger

but survived by the mercy of Lord
Krishna.

When the Jaladuta arrived in New
York Harbour 37 days later. Your
Divine Grace you were all alone.
You came to America knowing
no one, with absolutely no visible
means of support, and with only
the meagre handful of possessions
you carried on board the ship.
You had no money, no friends,
no followers. Advance age and
had health issues. No clear idea
of how to accomplish your far-
reaching objective to present the
spiritual knowledge of the Vedas
to the entire Western society. You
endured difficult struggle almost
1 year and in 1966 established
Hare Krishna movement ISKCON.
Many American youth became
your disciples and soon the Hare
Movement spread all over the
world.

Your Divine Grace you became
the Jagat Guru of Hare Krishna
movement.

The Vedic knowledge translated by Your Divine Grace provides the torchlight for illuminating the spiritual pathway through this dark age of Kali, and your books will provide this guiding light to conditioned souls for next ten thousand years.

Your Divine Grace, your spiritual life and activities prove beyond doubt that you are the empowered personality appeared to fulfill

Sri Caitanya Mahaprabhu prediction.

Your Divine Grace we are deeply indebted to You million of million times. By Your mercy only all condition souls can cross the cycle of repeatedly birth and death in this life by following your teachings and instructions and associating with sincere devotees of your movement.

শ্লোক ২৬

যস্য সাক্ষাদ ভগবতি জ্ঞানদীপপ্রদে গুরৌ।
মর্ত্যাসন্ধীঃ শ্রুতং তস্য সর্বং কুঞ্জরশৌচবৎ ॥ ২৬ ॥

অনুবাদ
শ্রীগুরুদেবকে সাক্ষাৎ ভগবান বলে মনে করা উচিত,
কারণ তিনি দিব্য জ্ঞানরূপ দীপের আলো প্রদান করেন।
তাই, যে ব্যক্তি শ্রীগুরুদেবকে একজন সাধারণ মানুষ
বলে মনে করে দুর্বুদ্ধি পোষণ করে, তার সর্বনাশ হয়।
তার আধ্যাত্মিক উপলব্ধি, বৈদিক শাস্ত্র অধ্যয়ন এবং
জ্ঞান হস্তীমানের মতো ব্যর্থ হয়।
তাৎপর্য
শ্রীগুরুদেবকে ভগবানের মতো শ্রদ্ধা করার উপদেশ
দেওয়া হয়েছে। “সাক্ষাদ্ভবিত্বেন সমস্তশাস্ত্রেঃ ?” সমস্ত
শাস্ত্রে সেই নির্দেশ দেওয়া হয়েছে। “আচার্যং মাং
বিজানীয়াৎ”। আচার্যকে ভগবানেরই সমান বলে মনে
করা উচিত। এই সমস্ত উপদেশ সত্ত্বেও
কেউ যদি শ্রীগুরুদেবকে একজন সাধারণ মানুষ বলে
মনে করে, তা হলে তার সর্বনাশ অবশ্যস্বাবী।
শাস্ত্রনির্দেশ হচ্ছে যে, শ্রীগুরুদেবকে কখনও একজন

সাধারণ মানুষ বলে মনে করা উচিত নয়। অত্যন্ত
নিষ্ঠা সহকারে শ্রীগুরুদেবের উপদেশ পালন করা
উচিত, কারণ তিনি প্রসন্ন হলে ভগবানও প্রসন্ন হন।

“”যস্য প্রসাদাদ্ ভগবৎপ্রসাদো
যস্যাপ্রসাদান্ন গতিঃ কুতোহপি।”

হে প্রভুপাদ আপনার আদেশকে অবমাননা করে

বুদ্ধি যেন সুবুদ্ধি হয় সেইটুকু প্রার্থনা করি। সেটা
আপনার কৃপাশক্তি ছাড়া কোন কালেও
সম্ভব নয়।

তবে আমার পূর্ণ বিশ্বাস আছে যে, আপনার ঋত্বিক
প্রণালী একদিন সুপ্রতিষ্ঠিত হবেই সারা বিশ্বে। হে

My dear Srila Prabhupāda, Please accept my humble obeisances at your lotus feet.

In the garden of devotion to Krishna, bloomed a plant so divine, it was tended by the supreme gardener, Sri Gaura Sundar, As the supreme enjoyer He relished the juiciest ripest fruits, then graciously shared them as gifts and tributes

In Navadvipa's soil, the seed of this plant softly sowed. Then on Puri's sacred shores, its roots began to grow. And in Vrindavana's embrace, where its

devotion overflowed. A journey of divine love the fruits of Krishna Bhakti it bestowed

Caitanya Mahaprabhu predicted that in time this divine tree would surround the world, far and wide, Its branches of compassion, extinguishes our sins and pride. The fragrant flower captures our mind with mantra might. In the dance of sankirtana darkness turns to light. The holy names of Krishna has descended to set things right

Oh, All this is only possible by you my dear Srila Prabhupada. Vishwaksena, may be the commander-in-chief of Vaikunta but you are the mora senapati-bhakta of Lord Caitanya's army

In Sri Caitanya's garden, as chief gardener, you stand, You offer bhakti's fruits, so pure and clear, Nurturing souls with Krishna Prem

Freeing us from repeated births
and deaths.

With Krishna's aid, demigods and
demons strived,
Churning the milk ocean's depths,

to be a menial servant in your
divine play

Wielding the sharp sword of
nama-sankirtana,
You pushed back Kali's plans,
saving millions from her net. For
10,00 thousand years, her retreat
is assured
Turning back the clock, to a world
so secured

Without your appearance, swept
by nature's endless tide, We'd

prepare for rebirth, in another
mother's womb to hide. But you
are the guiding light, who stood
by our side. Catch hold of your
dhoti and this would be our last
ride

For my passion even hell is not
enough
And for your compassion even
millions of heavens are not
enough
O spiritual master of all the
worlds!
please remove this useless
material existence I am
undergoing
please destroy this vast ocean of
sins which has no shores
I simply pray please grant me
eternal shelter and service of your
Lotus feet.

Dear Srila Prabhupada
Please accept my humble
obeisance's. All glories to your
divine lotus feet!

The below are your words
"Spiritual masters qualification is
he is trying his best to deliver the
soul from the clutches of maya.
That is real service "

In today's world where we are in
between a lot of so called spiritual
masters, I feel so fortunate that I
came in touch with your devotees
at ISKM..

The maya is so so strong that at
first it entangles us and makes it
really difficult to choose between
material and spiritual paths.. even
if we incline towards spiritual
path, we have all these fake gurus
and mayavaadis who take us to
wrong path .. By fortune even if
we come to Kṛṣṇa consciousness,
again we have multiple groups
and not all of them lead you to
right path.. finally one has to
be extremely fortunate to get
association with devotees at ISKM
led by his grace Sundar Gopal
prabhu who exemplifies and
reminds us about you Prabhupada
in many many ways..

My dear Srila Prabhupada I
really don't understand what
qualification I have that you
have not still given upon me ..
I am person with the highest
procrastinating behaviour
and with lots of laziness when
comes to devotional service .. I
sincerely beg for your mercy as

I have failed multiple times in my sincerity towards devotional service.. you have taught "failure is the pillar of success ..then try .. Again shall you try "
With this belief in my mind I am continuing to try to to be a better servant for your devotees.

Jaya Srila Prabhupada!

I offer my respectful obeisances unto you again and again. It is only by your causeless mercy that in this day and age, numerous souls have been able to accept Krsna Consciousness.

While I have not taken good advantage of this great fortune that you have very kindly bestowed upon us, I still seek your mercy to be able to have the chance to be your servants' servant, birth after birth. Today, on your auspicious Vyasa Puja, we would like to glorify you. Yet,

no words can truly describe your glories and your endless mercy. How can I even attempt to start speaking of Your Grace.

For those of us who had no fortune to come in contact with you directly during your manifest lila on earth, your books, audio recordings of lectures and morning walks, brings your divine voice from your lotus mouth to us. Photographs and videos are a praiseworthy invention of mankind, only because your effulgent form has been recorded through them, allowing many future generations to relish your darshan. Your radiant form clad in saffron dhoti, kurta and chadar, colourful garlands hanging all the way down to your feet sometimes, is all very pleasing to behold. Just by seeing you or remembering you, fear in the hearts of your disciples, vanishes.

All I can ask for from you, is your pity for a fallen rascal like myself. Please bestow upon me your blessings to always engage in your service in one way or another, eternally. Please forgive me for the numerous offences I have committed, Srila Prabhupada.

A humble vyasa puja offering by
a most fallen devotee begging
your mercy at your lotus feet
to proceed further in Krishna
Consciousness.

To say even I am the most fallen
and please accept me as your
humble servant like Narottama
Dasa Thakur said to Chaitanya
Mahaprabhu also I am Sure that I
don't have the eligibility "patita-
pāvana-hetu tava avatāra, mo
sama patita prabhu nā pāibe āra"

Narottama dāsa Ṭhākura is placing
himself to the lotus feet of Śrī
Caitanya Mahāprabhu, that "My
dear Lord, Your incarnation is to
reclaim all these fallen souls. But I
am the lowest of the fallen souls.
So my claim is first. Kindly deliver
me." Mo sama patita prabhu
nā pāibe āra." You are, Your
determination is to deliver the
fallen. So I am the first-class fallen.
Please accept me."

Like this a confidential servant can
say but I don't have that eligibility.

Last year by your Causeless mercy
I tried to enter myself in serving
you by preaching your teachings
in online. Hope I will be more
consistent in this and many more
sevas to serve you in all the ways.
As you only said in one of your
letter dated 1 February 1976,
Mayapur. as "The disciple is
always thinking how he or she can
better serve the spiritual master,
and the spiritual master is always

thinking how to help his disciple to surrender to Krishna.”

Hope I will be able to serve you in many ways by your mercy and try to repay you a drop of water worth out of ocean debt I have.

Oh mind..! Wait..! Wait..! Wait..!

Do I have even eligibility to talk like this that I am trying to repay you. Then I am none other than a joker and a fool absolutely. As said in Srimad Bhagavadatam 4.22.47 Purport “A joker’s activities simply arouse laughter, and a person who tries to repay the spiritual master or teacher of the transcendental message of Kṛṣṇa becomes a laughingstock just like a joker because it is not possible to repay such a debt.”

So, the one thing I can say is that you are so great and merciful and please shower your mercy on me and mercy to become even more sincere in Krishna consciousness by giving us all the strength Bala to pass any obstacles in this process and become Krishna Conscious.

Your Unworthy And Fallen Servant,
Venu Gopal Das.

SRILA PRABHUPADA..

Years are passing but Im doubting if i can pass the material test. Even though its difficult to practice devotion in this material world With so many distractions and difficulties, your mercy and instructions made our progress a possibility.

In so many occasions you have heard me and helped me in so many ways.

You have given me opportunity to come out of this material entanglement. I again shamelessly ask you to give me intelligence to surrender on to

your lotus feet. Although I try to preach to the best of my capacity, it becomes difficult when it comes to practice. Please give me strength to fullfil my initiation vows.

I clearly understand that there is no other way to go to cross this material life.. the only meaningful happiness is your mercy to get us closer to Radha Krishna.

Iskm being your only bonified successor. We are fortunate to have taken spiritual birth in ISKM. My only hope is in constant association with Your sincere devotee hg sundargopal prabhu and senior devotees. I have faith that one day I will improve spiritual like iron becomes fire with constant association with fire.

Forgive me for my countless offences to your lotus feet.

Dear Srila Prabhupada, Please accept my humble obeisances. All glories to Your Divine Grace.

On this holy and most auspicious august appearance day of your Divine Grace, I offer my humble obeisances and would like to express my heartfelt gratitude to you ,who has saved our life from the unfathomable ocean of material existence.

*na mṛṣā paramārtham eva me

yadi me na dayiṣyase tadā

Let us submit one piece of information before You, dear Srila Prabhupoda. It is not at all false but is full of meaning. It is this: If You are not merciful upon us, then it will be very, very difficult to find more suitable candidates for Your mercy.

(Caitanya-caritamṛta, Madhya-lila 1.203)

One way of contemplating your unparalleled contribution is by adapting a quote attributed to Julius Caesar: "I came, I saw, I conquered." but Srila Prabhupada your mission was not one of political conquest, but of spiritual compassion; so, the variant applicable to you is, "you came, you gave, you conquered.

You came from spiritual world ,you gave love of Godhead and you conquered the world with Krishna consciousness.

Srimad Bhagavatam (11.5.37) states, "Indeed, there is no higher possible gain for embodied souls forced to wander throughout the material world than the Supreme Lord's sankirtana movement, by which one can attain the supreme peace and free oneself from the cycle of repeated birth and death.

By your causeless mercy we find ourselves in the Supreme Lord's sankirtana movement

janasya kṛṣṇād vimukhasya daivād
adharma-śīlasya suduḥkhitasya
anugrahāyeha caranti nūnaṁ
bhūtāni bhavyāni janārdanasya

O my lord, great philanthropic souls travel on the earth on behalf of the Supreme Personality of Godhead to show compassion to the fallen souls who are averse to the sense of subordination to the Lord.

Srimad Bhagvatam 3.5.3

*mahad-vicalanaṁ nṛṇāṁ
gṛhiṇāṁ dīna-cetasām
niḥśreyasāya bhagavan
kalpate nānyathā kvacit*

O my lord, O great devotee, persons like you move from one

place to another not for their own interests but for the sake of poor-hearted gṛhasthas [householders]. Otherwise they have no interest in going from one place to another. Srimad Bhagvatam 10.8.4

A child may be reluctant to take a bitter medicine, but if he remembers that his mother has sold her jewelry to pay for that medicine, then contemplating her sacrifice will replace reluctance with gratitude.

Similarly by meditating on your innumerable and insurmountable sacrifices just for giving us the opportunity to practice bhakti, we can shed our reluctance and face whole-heartedly whatever challenges confront us.

If we keep the memories of your sacrifices alive in our hearts, you will come deeper into our hearts and the glory of your gifts will be increasingly revealed to us.

it is stated in srimad bhagavatam 8.7.44

*tapyante loka-tāpena
sādhavaḥ prāyaśo janāḥ
paramārādhanaṁ tad dhi
puruṣasyākhilātmanaḥ*

It is said that great personalities almost always accept voluntary suffering because of the suffering of people in general. This is considered the highest method of worshiping the Supreme Personality of Godhead, who is present in everyone's heart.

Srila Prabhupada ,you practically demonstrated by sailing to America the headquarter of materialistic culture at an advanced age, utterly alone and practically penniless, for propagating Krsna Consciousness.

you single-handedly take on a formidable army in their home turf which is physically, culturally and intellectually foreign to him. Srila Prabhupada ,you said, Even if a good soldier is struck down on the battlefield and his head is severed from his shoulders - still even if he is lying on the ground in such a condition - if he is a "good soldier" he will try to wave his sword in the air with the hopes that he will somehow strike the enemy.

Similarly you said, "I am a servant in the army of my Guru Maharaja and as long as I have life I must preach - even in my present

condition (and he waved his hand about in the air as if waving a sword).

A Vaisnava, or devotee of Lord, his life is dedicated for the benefit of the people. That is the determination of devotee of the Lord. They don't care for personal comforts. Because they love Krsna or God, therefore they love all living entities because all living entities are in relationship with Krsna. So similarly you should learn. This Krsna consciousness movement means to become Vaisnava and feel for the suffering humanity.

A Humble tribute to my beloved Spiritual master Srila Prabhupada

Hare Kṛṣṇa Śrīla Prabhupāda.
Please accept my humble
obeisances. All glories to You.

While starting to write, I was thinking where to begin. From last offering till today, its almost a year had passed. And even in short was always informing you what all happening here and there, but when have to summarise all, its like have to think which least important thing I have to skip. But looking into it, didnt find where a shortcut possible, as with you each second of life is glorious and beyond limit to express.

Dear Śrīla Prabhupāda,

Hari-bhakti-sudhodaya (13.2):

“O devotee of the Lord, to see you is the perfection of the eyes, to touch your body is the perfection of bodily activities, and to glorify your qualities is the perfection of the tongue, for it is very rare to find a pure devotee like you”.

The smile of such a Krishna conscious person is so attractive that simply by smiling he wins so many admirers, disciples and followers.

-SB 3.22.21 p

Prabhupada, literally speaking along with Guru puja song , some of these verses stuck in my mind. So was practically trying to see how can these be made possible. But absolutely when you say your photos and Murtis are non different from you, now

a days by your causeless mercy could little realise not only that, but as per above SB 3.22.21 p , how contagious is your smile, even in midst of completely lost feeling, when we see you smiling - absolutely in that smile we again get completely lost-like how you taught in old times the Brahmastra countered by another water astra, so similarly that just seeing you , every of our hurdles becomes 'water in calf's hoof print'. Mesmerizing is your presence through all these means and vani, by which dont even have a loophole to say we miss you nor your directions, as the moment we say that , it become a big lie - As, such a thing is impossible to exist !

Prabhupada, last Vyasa puja , was very eager to share, how even struggled a little, but last could come to association of your sincere disciples- The family you kept intact for all future sincere seeking souls benefit. And being in that family for least 2 years , you again made me understand through all thick and thin times ,what ' Svajati ' means. And ofcourse its an another merciful outpour. Even hard in times, but definitely will be ever grateful for

that merciful opening of my eyes. You once told ,here in association of Lord's devotees actually we are preparing for entering into the family of Krishna. Wondering how beautiful that association will be, when could taste a glimpse of that association with your devotees now itself. Thankyou so much for that kind blessings .

Prabhupada, year after year knowing we will have many many good, bad and mixed events to share. So as a good auspicious start , let me offer my most humble heartfelt obeisances, for accepting this most unfortunate bewildered soul in your list of glorious disciples(and a small personal possessive feeling of officially becoming your eternal daughter) on August 6, 2023 ,Sunday. Even last year , I foolishly expressed this small desire to become your humble disciple,inside I was assure, its not a qualified post for me to even ask, so did even such opportunities came, was hesitant to accept it too . But ,you made a wonderful twist on twist, by which I was completely paralysed to fully surrender to you, even without a second thought - its like standing at gun point-'do or die', but since

other side was you ,hopefully by becoming your disciple never did I offend you. Infact I was more concern for what you are borrowing from me - My list bags of sin! Even thinking about it , I couldn't hold on to what I have done nor in mind at time of initiation and backup times could I practically recollect . But like a robot which start working when switched on, was going through all - like emotionless being. And Haribol! I got initiated as - Anañga Mañjarī Devī Dāsī.

Prabhupada, somewhere did I wished to follow you in all fully, even had little bit knowledge of what a disciple and that role is. And when out of nowhere suddenly one day when I become your disciple , in fact I was not the least prepared for it. And after that , here and there peeping into informations regarding disciple's duties and activities - All I could do is just give you a completely helpless smile and repeated obeisances for all my mistakes. Its a mountain for me. Where and how to conquer this? Kindly all I can beg again is your causeless mercy and forgiveness for all my mistakes and offenses.

Srila Prabhupāda, now being a initiated disciple representing you, responsibilities are too high when at the least dont know what to do. Actually fear comes when have to and understand more of what a disciple have to do for Guru. Even desire is there to fullfill it but because of being a completely helpless fallen conditioned soul, how could in this bewildered condition could we do good in anything? But how could we give up your visions and missions for our personal inconveniences?

Recently read one of your Lila with Malati mataji where you were chastising her,each and every second for her cooking service and then mataji reached at the point of giving up all as she felt she couldn't please you by all her efforts but when at time, in front of others you had totally a different story to tell -

"She Would Slit Her Throat For Me, I Would Do Same For Her"!!!!

How could we believe this causeless compassionate love from you Prabhupada? Who could say such a word of strong trust than but you ? Even if someone says how could it be completely

pure than it from you? Hearing those words again and again , brings a ray of superhuman transcendental faith and bond within us . Reading and watching your lilas day by day somewhere in between those , sometimes secretly wish if there were a timetravel possible to put this head into those moments. Fortunate are those who lived with you , but magnanimous are those who live in you. And in these struggle for existence, you gave this insignificant soul a chance to meet those magnanimous souls - More than this what we could ever blessed for. Prabhupada, by all these causeless mercy , you made us completely knot in your transcendental love,affection and compassion (even in between, due to my conditioning may have questioned it - and for that, I again and again apologies for being a faithless servant, and for the future, if I didnt cure from this disease). In this condition of merciful protection , how we could simply sit in one corner enjoying your assets and prestige? If we do so, how could it be Justice? Prabhupada, but in truth where is our strength? So all we could pray to you is kindly bless to follow all your instructions

faithfully,empower us and engage us always as an instrument in your loving transcendental service to Lord. We dont have brains, nor appropriate faithful vision or any transcendental Paramatma connection, but by all our so far experiences could for sure we understand ,you never left us even after a list of our countless mistakes we commit so often. So Prabhupada, this is all I can prayer for- kindly engage this soul too in your transcendental mission. Let atleast in this one birth among countless undertaken, could have a little meaningful use. So Prabhupāda please keep me too fixed up in the association of your sincere disciples and in that association, together engage us all in service of your devotees and your transcedental mission yet to fullfill. Being in that position let this sinful soul ,finally touch the transcendental peace of your eternal lotus feet shelter. And finally but not the last ,hopefully always praying and waiting for your causeless mercy and protection , in all the future yet to hold. All glories to You. Jai Śrīla Prabhupāda!

Hopefully praying ,
Yours eternal daughter

My dear Srila Prabhupada,
Please accept my most respectful
obeisances at your lotus feet.
All glories to you and to the
sankirtana mission of Sri Caitanya
Mahaprabhu, which you have
preached and expanded so
perfectly all over the world.

Srila Prabhupada I know it would
please you if I also developed
pure and unalloyed love for the
divine couple. It wasn't that you
only wanted us to spread the
teachings of pure devotional
service, but you desired that we,
as your disciples and followers,
also achieve that esteemed goal.

In a lecture in San Francisco in
1975 you said: "My position is
that I want to see that at least
one disciple has become a pure
devotee. Of course, I have got
many sincere and pure devotees.
That is my good luck."

And my "good luck", Srila
Prabhupada, is that you are my
spiritual master and that by
your mercy I can become a pure
devotee of the Lord. It is in that
mood that I happily chant my
rounds, follow the principles
and regularly go to temple and
perform my duties to share my
good fortune with others:
"I have been immersed for many
lives in this ocean of birth and
death. Oh Lord Gauracandra!
Oh golden moon-like master! If
You bestow upon me continuous
service to brilliant lotus feet, I shall
chant and describe to others the
glories of Sri Hari forever."

that shows your humbleness
towards fallen souls I'm just like
Jagai and Madhai for me you
are Nityananda Prabhu who

decided that this fallen souls
must be the first to be delivered
by Lord Caitanya's sankirtana
movement and that's your mercy
I'm understanding the philosophy
of Krishna consciousness as
mentioned you always mention,
one can begin bhakti-yoga only by
the mercy of the spiritual master
and Kṛṣṇa. (CC Madhya 19.151)
Guru-kṛṣṇa-prasāde pāya bhakti-
latā-bīja, the seed of devotional
service is obtainable by the mercy
of guru, the spiritual master, and
Kṛṣṇa, the Supreme Personality
of Godhead. I don't have any
qualities of a devotee but by your
mercy I'm able to serve you.
My dear Spiritual master Śrīla
Prabhupāda went I recite 10
offences I always realise i
comment almost all offences I'm
so fallen please I'm bow down to
you please save me from these
offences I'm trying to follow your
instructions but still feel I'm not
able to it's because I still need to
learn and read more about please

shower your mercy. As Narottama Dasa Thakura prays

*guru-mukha-padma-vākya, cittete
koribo aikya,
ār nā koriho mane āśā*

“ My only wish is to have my consciousness purified by the words emanating from his lotus mouth. ”

I also pray to you to purify my consciousness with your words emanating from your Lotus mouth so that I can also fulfill your order. I'm thankful for

*caṣu-dān dilo jei, janme janme
prabhu sei,
divya jñān hṛde prokāśito
prema-bhakti jāhā hoite, avidyā
vināśa jāte,
vede gāy jāhāra carito*

In this darkness of material life you gave us eyes and fills our heart with transcendental knowledge. We don't know how we can pay you for this the only way to pay is to follow your instructions strictly. Your transdental pastimes motivates us to serve more and more. We are really fortunate that in this kaliyuga where people are busy in sense gratification by your mercy we are trying to serve

Krishna and by Krishna's mercy we are trying to serve you.

At the end I'm thankful that by your mercy we got the association of your dedicated representative HG Sundar gopal prabhuji and ISKM devotees who guide us help us to understand your instructions and help us to follow them with dedication.

My humble request to you my dear Spiritual master is that I have always fallen into the trap of Maya please shower your mercy so that whenever I attacked of Maya I can remember gopī-bhartuḥ pada-kamalayor dāsa-dāsa-dāsānudāsaḥ [Cc. Madhya 13.80], that “I am nothing except the eternal servant of Kṛṣṇa,” I can remember of your and by your remembrance i can chant the holy name of Krishna and can come out from that situation. Please shower your humble mercy on me as Śrīla Viśvanātha Cakravartī Ṭhākura instructs us, in his famous prayers for the spiritual master, as follows:

*yasya prasādād bhagavat-prasādo
yasyāprasādān na gatiḥ kuto 'pi
dhyāyan stuvāms tasya yaśas tri-
sandhyam
vande guroḥ śrī-caraṇāravindam*

"By satisfaction of the spiritual master, the Supreme Personality of Godhead becomes satisfied. And by not satisfying the spiritual master, there is no chance of being promoted to the plane of Kṛṣṇa consciousness. I should, therefore, meditate and pray for his mercy three times a day, and offer my respectful obeisances unto him, my spiritual master." Please forgive me if i did any offences

Every devotee knows that you

Dear Srīla Prabhupāda,

With this Vyasapuja offering I

Although I am so sinful, foolish

association of exalted devotees.
Thank you very much for making
me to taste the spiritual bliss.

Dear Srīla Prabhupāda ,
Sometimes due to forced

speak of being transcendental.
Kindly bless me to become one of
your strict disciples and empower
me to preach more and more
without being carried away by
mental speculation.

Although I am so incapable and so tiny, I am always anxious to do as many services as possible. Kindly provide me the spiritual strength to serve you and please let me be with you in this divine mission till my life becomes successful even though I am a rascal. Don't leave me Srīla Prabhupāda.

Also, please forgive me for my mistakes and offences due to my ignorance and foolishness.

Thank you once again for everything that you've done for all of us with your causeless mercy.

up the Krishna consciousness.

My dear Srila Prabhupada, this is your mission and you are driving this mission. Everyone else is nimit matra. Please always keep me under your shelter. Dear Srila Prabhupada,

You have faced many difficulties to carry the orders of spiritual master his Divine grace A.C Bhakti

Siddhanta Saraswati Thakura to spread the Krishna Consciousness moment all over the world.

Dear Srila Prabhupada,

Please accept my respectful obeisances unto your lotus feet. All glories to you. On this auspicious day of your divine appearance in this material world, although I am worthless to glorify you, I can't stop myself from expressing my gratitude towards you. My dear spiritual master, it is impossible for anyone else other than you in this kaliyuga to spiritually elevate the fallen souls like me. Within a short span of 14 years you have achieved your goal of spreading the message of Lord Chaitanya Mahaprabhu

all over the world and delivered many from the clutches of maya. Even today, after 45 years of your disappearance there are thousands of souls becoming devotees just by reading your books.

After moving to the United States, I could actually realize the amount of struggle you might have faced in this most inauspicious land where people are always engaged in sinful activities and converting them to devotees. Having been devoid of ISKM devotees association and service of the Lordship in Singapore, I lost hope of our spiritual advancement. However, by the causeless mercy of HG Sundar Gopal prabhu and HG Tattvavit prabhu who are regularly giving their virtual association through online sessions we are left with a hope of little advancement. They always remind us with your instructions as it is and encourage

us to follow them. Because of the tireless efforts of HG Sundar Gopal Prabhu, who is sincerely serving you and other Senior ISKM devotees, ISKM is expanding and flourishing with more and more initiations.

Finally, I would like to end by begging forgiveness for the offences being committed by me knowingly or unknowingly and request you to continue rendering your causeless mercy upon me so that I can serve you always birth after birth.

Dear Srila Prabhupada
You came as Our saviour,
At the time when human life was a
failure

Conquering the world with your
vani,
With love and respect people
called you "swami"

Wrote books for our secure future,
It's now our duty to care and
nurture

With so many material desires,
I think it's high time for us to
become serious
Before this human life expires....

No matter what I write,
No word will be big enough to
seem right

I think the best way to express my
gratitude,
Would be to change my attitude

I promise to try my best,
To read your books and face the
ultimate test

Thank you for giving me the
opportunity of ISKM kids,
The classes and performances are
super hits,
To serve them is the ultimate bliss
This boat is something I don't
want to miss...

Truly indebted for making me part
of ISKM family,
In devotee association we serve

Please keep your hand always on

Without your mercy and grace, I

will be spiritually dead.

O my spiritual father.. I am a lost child, by the mercy of Sri Krishna and by the grace of all the Vaishnavas..found the shelter of your lotus feet through the International Sri Krishna Mandir. Please forgive my all aparadh and accept me as your child with your kind heart. Please don't let me lost again.

I want to serve you always and always but because of my poor

fund of knowledge I am not able to overcome maya and serve you the better.

You are so merciful to give me the chance one after another to correct my mistakes in serving you.

When will I come out of the 6 enemies in my mind - kāma, krodha, mada, moha, mātsarya and bhaya ? Which are always obstacles in my spiritual progress.. I am so unfortunate that I have no attraction for the holy name of the Lord even after knowing its the only means of deliverance and is the easiest way to approach the Supreme Lord.

My only hope is You, my spiritual master for my spiritual progress. Without your mercy I am useless. I always beg for your forgiveness for all the offences I have committed.

I am so unfortunate that I couldn't glorify you well for what you have given to me. But I promise to always follow your instructions with your mercy.

Thankyou is the very small word.. all I can say is I am surrendering this life to your instructions

Dear Srila Prabhupada

Please accept my respectful
obeisances.

Whatever little I have learnt or
got, it is all because of your kind
mercy.

I am actually a dumb person
spiritually, because even after
completing my so called degree,
I was spiritually ignorant. But now
by your mercy, I am able to speak
and convince a few people about
teachings in BG and SB

Srila Prabhupada, your conviction
in the words of your spiritual

master; your strong faith in the
teachings of Bhagavad Gita,
Bhagavatam and the holy name of
Krishna are all obviously revealed
in your lectures and teachings.

Srila Prabhupada,
I am a fool. I don't know what
is ultimately good for me. My
mind too cheats me regularly
and takes me for a useless ride
within this material world and gets
me to do so many crazy things.
But your message is my savior
again and again. You are my only
hope. I wish not to leave your
dhoti. My only desire is to be in
the association of your sincere
followers.

Also give me the intelligence
to wholeheartedly accept that
association as my great hope of
deliverance.

Please bless me with a drop of
your mercy, so that I will be able
to please you by spreading your
message.

I have no reason to demand your mercy as I have not done anything which would please you. But I need your mercy. I am hoping on it as my only hope.

Thank you Srila Prabhupada.

Hare Kṛṣṇa Śrīla Prabhupāda,

Please accept my humble
obesciencies. All glories to You.

With an overflowing heart, I
pour forth my gratitude for your
boundless mercy today. Just a
year ago, I timidly reached out,
yearning for your divine guidance,
eager to embark on this sacred
journey of Kṛṣṇa Consciousness.
Back then, I had not even cracked
open the sacred texts, lacking
the interest to do so. I prayed for
the taste of Kṛṣṇa Consciousness.
Now, a year later, it is solely due
to your boundless mercy that

I find myself immersed in the
profound teachings of Śrīmad-
Bhāgavatam and having received
initiation. The speed of this
transformation leaves me in awe,
for I had envisioned it taking many
years, but you, with your mercy,
hastened this process.

Secondly, in one of my lowest
times earlier this year, I poured
out my heart to you in prayer,
beseeching for direction
and strength to navigate the
tribulations of this material world.
I begged for the wisdom to
dispel the darkness within and
the courage to relinquish that
which I must let go of. Oh, Śrīla
Prabhupāda, the lessons I learned
were etched in pain, but they were
invaluable. They jolted me awake,
and for that, I am deeply thankful.
Through your grace and the mercy
of the Vaishnavas, I received
initiation and found solace in
dealing with life's adversities.

Above all, your boundless mercy ensured that I remained in the company of your devoted disciples, whose sole aspiration is to please you. And just by seeing them doing so much of service pushes me to be more serious in my path.

I come before you once more without any reservation, to make yet another plea. This worthless servant of yours acknowledges her incapacity to offer anything substantial in your service. I am fully aware that success is unattainable without your boundless mercy.

I beseech you, dear Śrīla Prabhupāda, to forever embrace me at your lotus feet. Guide this unworthy soul on the path of unwavering devotion to your disciples and help me adhere steadfastly to your sacred instructions. Though some aspects may seem challenging, my heart's desire to follow your teachings remains unwavering.

I shamelessly implore you once again, Prabhupāda, to shower your mercy upon me. Grant me the strength to diligently follow your divine commands, no matter

how arduous they may seem, and to serve all the devotees at the temple with a heart brimming with devotion.

Your insignificant and worthless disciple,

I offer my humble obeisances at your divine lotus feet. All glories to you on this auspicious day. This day is indeed is utmost

importance for all us. The day when the personification of the Supreme Lord's mercy, who has come to deliver us from the miseries of this world and take us to the spiritual realm.

Each and every moment of your life, you teach us by example. You never lose a single moment to glorify your spiritual master Srila Bhakti Siddhanta Sarasvati Thakura.

My Dear Spiritual Master, you have made all arrangements not only for your disciples but for humanity at large through your books, clear instructions and with practical example of your pure devotional service. Your books, your lectures have all the answers to everyone which were convincing and filled with logic. Your books are meant to demolish the seemingly unshakeable walls of the present materialistic civilization and present the new

beginning of the yuga dharma:
the congregational chanting of
the Hare Krishna mahamantra.

You have fearlessly ventured
into the depths of stubborn
materialism by boarding a ship
to land on the banks of the
North American sub-continent
and delivered countless fallen
conditioned souls by imparting
upon them the transcendental
science of Krishna consciousness.
It is only by your causeless mercy
that today I am able to practice
Krishna bhakti at least a little.
It is only because of your mercy
that today we all are aware of the
ultimate goal of life.

It is only your mercy to give us the
holy names.

It is only your mercy that we are
beautifully associated with ISKM
devotees.

It is only by your mercy that we are
able to engage in the service of
the Lord.

You have given us the opportunity
to go to the holy places where the
Lord performed His pastimes.
You have brought under one
umbrella where all of us including

the future generations can
come, learn & practice Krishna
consciousness.

You have given us everything
that we need to progress in our
spiritual lives.

You are a great ocean of
transcendental bliss, you remove
the sufferings of the distressed.
Although you are so merciful, I am
unable to properly serve you at
any time or in any way.

My dear Spiritual Master, please
shower your mercy upon me
that in whatever situation and
circumstances I continue chanting
and follow the four principles.
Please give me strength so that
I should tolerate the urges of my
mind.

I pray at your lotus feet millions
of time again & again to free me
from the clutches of my mind.
I beg from you to bless me with a
small fragment of your humility so
that I may progress more on the
path shown by you.

Dear Srila Prabhūpāda.

My continued dandavat pranams at your lotus feet. Jai Srila Praphupada.

How fruitless those days of my life were spent in the absence of Kṛṣṇa consciousness, the primary goal of life was balancing material life and spiritual life. It was only when I came in association with your devotees and your books, I realized that they can not go together and this materialistic life is an impediment to the execution of devotional service to Guru and Govinda. Please help me to regulate my life by following your instructions seriously.

You never showed laziness to write your Bhaktivedanta purports. They are complete in itself. But I always felt lazy to read it. As I kept associating with your devotees and kept reading

your unparalleled purports by your causeless mercy, the goal of human life manifested. You taught that the human form of life is meant only for attaining perfection in Kṛṣṇa consciousness. I long to receive your mercy to continue with this nityam bhāgavata-sevayā.

You emphasize in your every purport towards attaining perfection in Kṛṣṇa Consciousness by constantly serving Guru and Govinda. Please give me the privilege of nirantara seva at Their lotus feet.

While everyone else was sleeping in the night, you would get up at midnight and prepare the translations and purports till early morning. But, while I am studying Shrimad Bhagavatam, I see only words or pages of Shrimad Bhagavatam because of my gross consciousness. Please help me to understand, apply, and realize for

supporting my spiritual growth in service to you and Kṛṣṇa.

Kṛṣṇa is not alone in the Goloka Vrindavana.

He is always surrounded by millions of devotees. You say that “devotional service in the association of devotees is the cause of the development of further devotional service.”

Therefore, if I am serious about returning back home back to Godhead, I must stop prajalpa and learn to serve You and Kṛṣṇa happily in the association of devotees and serve them in a humble state of mind. Please help me to eliminate my tongue by knowledge.

Your lotus feet are the refuge to patita-atma like me

O Gurudeva!

You have given a systematic program around the clock to your disciples. All this arrangement of your's enables the conditioned soul to live a Kṛṣṇa consciousness life. Hey Gurumaharāja! Deepen my relationship with You and guide me from anartha-pravṛtti to artha- pravṛtti.

Dear Śrīla Prabhupāda,

Seeking the Goddess of Fortune
as His Queen,
Śiśupāla was the utmost keen.
Seeing this, the Lord, who knows
no defeat,
Vanquished his desires, through
Sudarsana's heat.

Rāvaṇa, with his ten mighty heads,
Followed a path the wise would
not tread.
Disobeying Rāma, thinking Sītā his
own keep,
the mighty king felt Śārṅga's
pangs deep.

Standing tall at Dvārakā's fort,
Kālayavana felt fear of no sort.
Despite his stealth and fast-paced
dashes,
The saintly-king's anger burnt him
to ashes.

The Śiśupāla of my mind seeks to
enjoy wealth,
Though time ends all possessions
as formidable death.

Despite being harassed in 10
different directions,
The Rāvaṇa of my heart is always
in full action.

Kālayavana's speed and endless
desires,
Torment my heart and make life
fruitless.

With the wonderful chakra of your
timeless instructions,
You vanquish our misgivings in a
matter of seconds.
Each chapter of your divine
writings,

Strikes arrows upon this mind full
of sins.
This bhakti process you have so
kindly given,
Burns to ashes our hankerings
unwritten.

More merciful than the all-
powerful Lord,
Are His dear servants, who He
Himself adores.
As the chief commander of Śrī
Caitanya's army,
You shower your mercy and lead
me to bhakti.

But yet – O Master!
I am lazy and unqualified.

I fail to accept this unmatched
treasure,
Though I know it as my only good
future.

Thus with folded palms I earnestly
pray,
That my devotion towards you
may never stray.
May your all-effulgent instructions
of love,
Illumine this heart which māyā has
shoved.

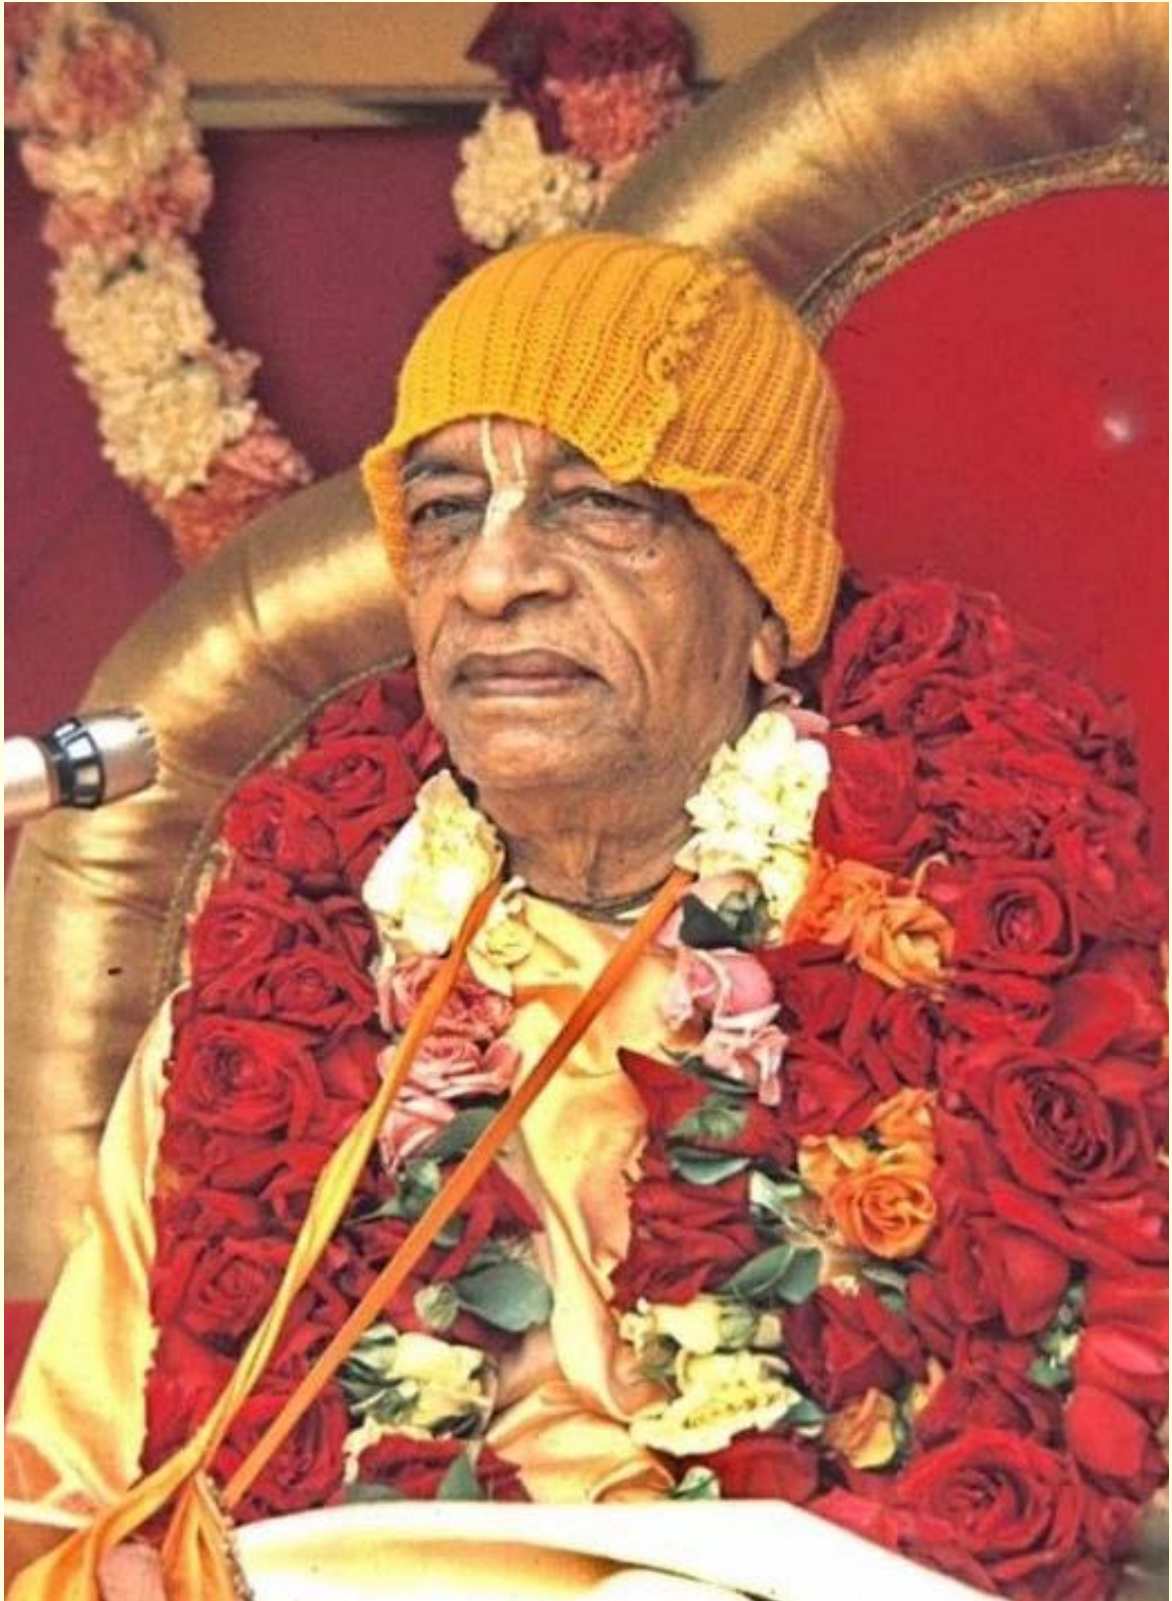

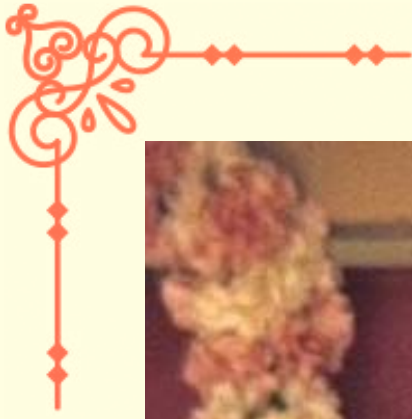

Hearing your glories and message
day and night,
Gives the soul peace and beams a
guiding light.

The world burns from the heat of
sin and hate,
Your teachings alone can save us
from ill fate.

Placing my head at your feet,
I humble before you beseech.
Wherever I am fated to stay,
My mind remain fixed in your way.

The demons of my mind can only
cause me harm,
If from your lotus feet, I choose to
remain far.

Your most fallen servant,
Rādhikā Sakhī devī dāsī

HOMAGES BY ASPIRING DISCIPLES

Aaditya Sreekumar

Hare krshna please accept my humble obeisances all glories to Srila Prabhupad.

A dumb sheep was born in the same world over and over again without any hope or knowledge or a escape feom the pain . A void so strong in that sheep that if he surrendered to the void he would be no more eternally in darkness this dumb sheep was not alone there are billion such dumb sheep's in this farm called earth and being blind and dumb these dumb sheep's helplessly is under a wolf called Maya who feeds the dumb sheep's a lot of sweet cattle feed and the dumb sheep's not realising that it's to fatten the sheep's continues eating it without any second thought of these billions of sheep's there was one named Aaditya a name given by the wolf . The real guardian of this farm came to fight agaisnt the wolf and take back control and protect the sheep's but billions kf

sheep's too blinded by the sweet cattle feed not realising what is going to happen next to them rebelled against the shepherd under the command of the wolf who wanted to torture them and eat them. But the shepherd could not bear this the shepherd came with powers beyond any wolf's imagination carrying a chanting bag and a collection of books that would lead a revolution in which the wolf would be destroyed and with words in his mouth that made dumb sheep's into powerful scholars who could take on the world . The shepherd was on a mission to save all and this small sheep aaditya found himself drawn to the shepherd like a moth to a flame but the crafty words of the wolf sowed doubt and confusion in the hearts kf many including this small sheep . The sheep was weak and the wolf was getting louder the more closer the shepherd tried to pull this sheep towards him . The wolf

used crafty tactics like using other sheep's to run a smear campaign against the shepherd who wanted nothing but to save even the ones wanting to destroy him. Srila prabhupada the divine personality who came as the shepherd in the lives of many and Maya the wolf who with her cunning words manipulate the hearts of all by making them go after one useless thing to another anything except surrendering to god. Freedom to have unlimited sense enjoyment they say not realising that their won sense enjoyment causes their own destruction realising it late and with this they fall into another trap thinking that by ending their lives they'll escape suffering later realising that they caused themselves more suffering than anything else not knowing how to escape or what to do souls like us go through the cycle of birth and reach infinitely without any hope our first sin being wanting to be independent of god later finding ourselves in the darkest of Hells crying waiting Wishing for this suffering to end to no avail Wishing we could undo our mistakes Wishing we could end this suffering and be happy so much so that within a while we begin to think happiness is

not real god is not real lost in pessimism we continue with our sins and sufferings Neverending. A man seeks gods love in a woman and a woman seeks gods protection in a man only to later be disappointed and be thrown into confusion and hate that's ever increasing. One day hope came in the jaladuta carrying 40rs and a will to save the suffering souls the eternal divine associate of lord sri krshna the Senapati bhakta of Chaitanya Mahaprabhu came wearing saffron bearing pain nobody would bear to save rascals like me who gets seduced by the wicked senses not knowing anything always in a illusion suffering with pain of his own making only wanting relief from the pain not knowing the value of what Srila prabhupad has to offer. Srila prabhupada the second coming of lord jesus christ who took the cross so people take upto god crucified by the very people he showered his mercy on. Sp many religions but nobody knows how to love god , so many people in this world yet everybody are lonely for deep inside we don't want this we want the lord of all Sri Krishna. Srila prabhupada the saviour of many the well wisher of all I bow down eternally to

your lotus feet though I am not even worthy to think of you I pray that I eternally serve lord krshna through you o dearmost spirtual master I am nothing without you please never leave me Eben if I beg you to do it out of my ignorance. Oh saviour kf the lord please don't give up on us please continue showering your mercy for without you we are doomed . The miscreants we are we tend to take you for granted we beg forgiveness for everything . Like lord jesus christ you were cheated and hurt by many people who you saw as your son's and daughters yet oh mater please remain merciful with us though we are not worthy of your mercy . All those who defy you have their destiny confirmed in suffering of their own making and all those who obey you have association with the Supreme god. Srila prabhupada may I eternally serve you and lord krshna wherever I maybe as desired by my spirtual master and the lord

All respects to Srila Prabhupada. Due to his books and lectures my life is much better now. I feel great within and due to Krishna and Srila Prabhupada's shelter I am no longer depressed. Earlier I used to feel worthless and even at times suicidal but chanting Hare Krishna has saved me and encouraged me to learn more about me and my relationship with Lord via Srila Prabhupada's books. Srila Prabhupada has become a medium via which I connect to Lord Krishna. I owe everything to him.

Hare Krishna Dear Śrīla
Prabhupāda
Please accept my humble
obeisances at your lotus feet.
All Glories to you!

First of all I want to say something about you. I am amazed at how kind and great you are. Despite 2 heart attacks, old age, bad health and many other problems, you preached Krishna consciousness and saved us from falling. You are

my only inspiration. You alone preached Krishna consciousness, established 108 temples, traveled around the world 14 times for the satisfaction of Krishna. Whatever I write about you is less because it is not in my capacity to count the service done by you for the satisfaction of Krishna and you spritual master.

It has been almost 2 years since I came to know about you and Krishna consciousness. But when I read your Lilas and your books, I get new satisfaction every time. Thank you for giving us such beautiful beautiful books, Lectures and many more. You books always help us when we forget about Krishna and about our goal of life. Thank you for removing the darkness of our mind with your books.

Thank you Śrīla Prabhupāda for giving us such beautiful books, translations, lectures, orders and

many more things. Your books always help us whenever we forget about Krishna. Dhanyawad for removing the darkness from our minds with your books.

Thank you Śrīla Prabhupāda for giving me the association of such beautiful devotees. Thank you Prabhupada for making me capable enough to paint for Krishna and you. Please bless me so that I always keep making paintings only in service of you.

Thank you for giving me this opportunity to serve you because only because of you I am able to serve Krishna. I cannot serve Krishna without serving you.

By the mercy of the spiritual master one receives the benediction of Krsna. Without the grace of the spiritual master, one cannot make any advancement. Therefore, I should always remember and praise the spiritual master. At least three times a day I should offer my respectful

obeisances unto the lotus feet of my spiritual master.
(Guru ashtakam Verse 8)

A person who is too much involved in material activity cannot come to Krishna even if he tries himself. But if a pure devotee shows mercy to someone then anyone can come towards Krishna. Thank you Prabhupada for turning me into Krishna Bhakti and giving me the opportunity to serve you. I was born in a very sinful background, I have committed many sins in my life, my life was full of ignorance. I don't deserve your mercy. Still you are so kind that I am able to chant and serve you. Please forgive me, I could not serve you well and still commit sins.

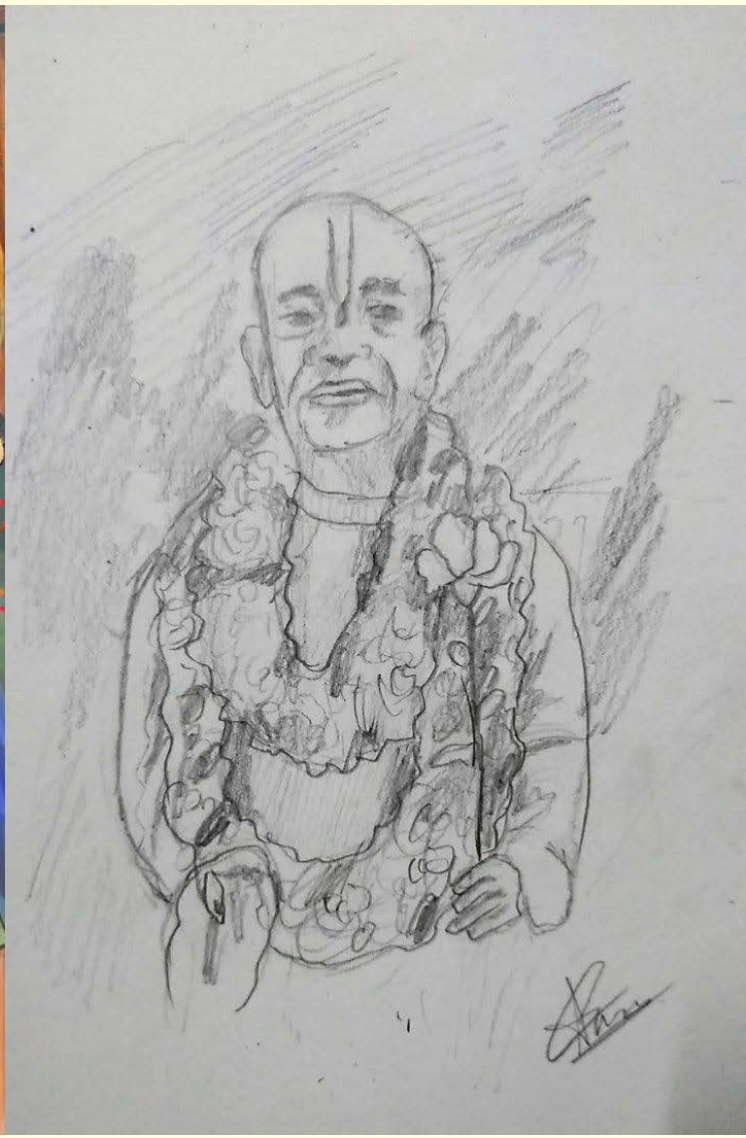

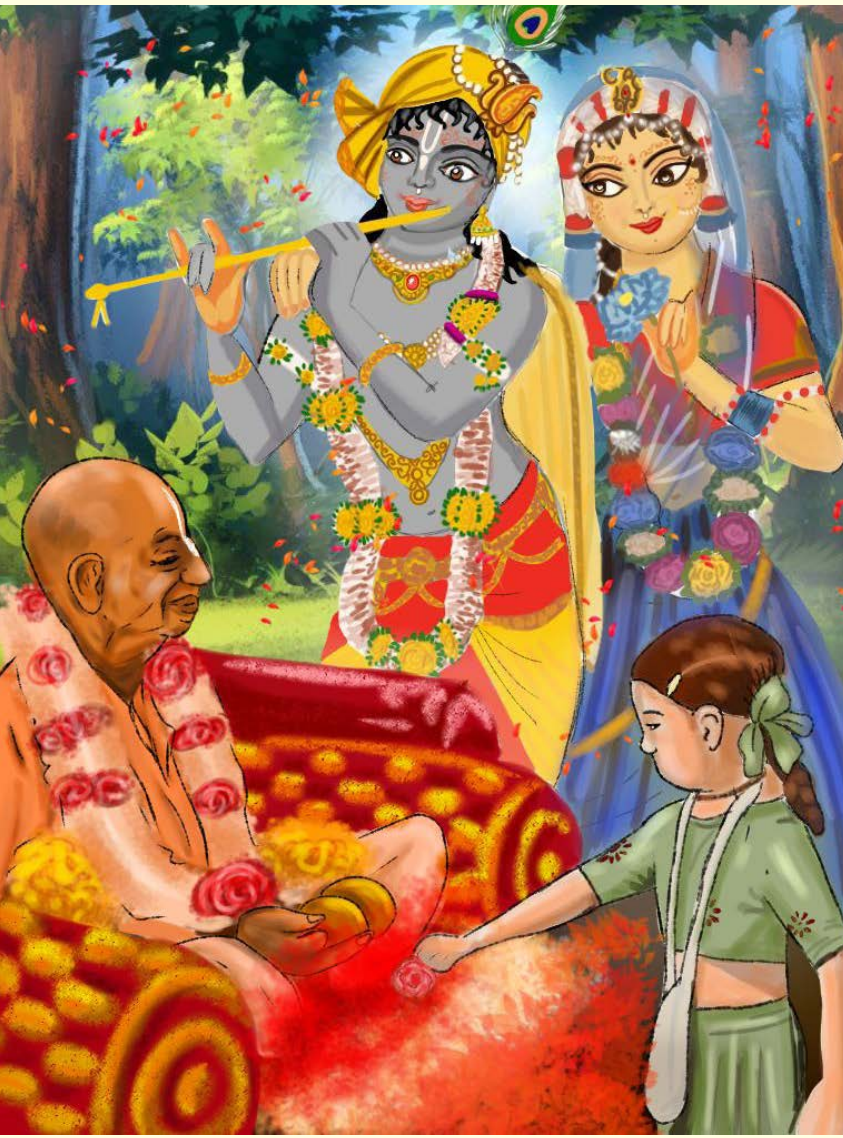

I feel myself unworthy to receive your grace. Because I am very fallen and I do not see a single quality in me that I can get your grace. I come from a very sinful background and I am very sinful. I have disobeyed your orders many times. I can't control my senses, many times I do what I shouldn't do. Even after joining the company of devotees, I have committed many aparadh. I have fall down many times. And I

am still very much fallen. I have committed many unforgivable sins and disobeyed your orders. I want to ask your forgiveness for my sins and for disobeying your orders. Please forgive me for violating your orders many times. I promise that I will always try my best to serve you. I will always try to follow your orders. I will not repeat my mistake. Forgive me for my sins.

Please forgive me, I am not able to serve you properly and I am not able to follow all your orders even if I try. I m born in a Muslim family and doing so much sins. Please forgive us!!

I am not initiated yet, but still I want you as my spiritual father. Please be kind to me and hold my hand and never leave me. I pray that one day I become your good and worthy daughter.

Please Accept my humble obeisances prabhupada. In the last one year, with the mercy of Krishna and you, I have been able to chant 16 rounds on a consistent basis. I am also fortunate to have got an opportunity to associate with many senior devotees and engage in devotional service.

With your blessings and mercy, whatever material problems that come my way in the future, I wish you to be my guiding light to navigate and come out of it and continue to perform and engage in unalloyed devotional service with more increased focus. I'm also hoping to make spritual advancement with all of my family members. With your blessings, I wish we engage in service of the lord together and make progress.

Our respectful obeisances are
unto you, O spiritual master,
servant of Sarasvati Gosvami.
You are kindly preaching the
message of Lord Chaitanya

countries, which are filled with

To our dear spiritual master, Srila
Prabhupad, all glories to you.

Where do I start, how do I start,
with my long list of thanks I have
to give to you. Thank you for
dedicating your life to saving us.
Thank you for all these books.
Thank you for all these lectures.
Thank you for all the devotees you
have created that I am associating
with in your grace. In this ISKM
Singapore temple, there are
so many dedicated devotees,
rolemodel Vaishnavas. I learn
so much from them, everyday,
and as I associate with them, I
thank you, for they are also here
because of you. I have made
real best friends in this temple,
friends who actually help me in
life, and it's because of you. We
have ISKM centres everywhere
and are you not also the root
cause for HG Sundar Gopal
prabhu in his venture of pushing
this movement beyond borders?
Thank you Srila Prabhupada. You
had descended from Krishna's
planet to preach His message and
you have actually not ascended

back yet. Just as you said, you will always live in your books. But not just your books. You still live in our hearts, our actions, our thoughts and our determination to serve Sri Sri RadhaKrishna and all other devotees better than we did the previous day. We would not have been able to stay on this path and push forward if not for you and your books. A true leader and teacher is one who is able to guide his disciples even when he is not physically present with them. And you are the best teacher and best leader. Thank you Srila Prabhupad. Thank you. Thousands and millions of thanks. Thank you. With utmost love and respect, I end this letter. Thank you.

Dear Srila Prabhupada,

Please accept my sincere
obeisances. All glories to YOU!

Prabhupada,

I don't know where to begin,
whether to sing your glories or to
regret where I find myself;
Most times I forget about your
extraordinary life and how you
lived multiple lifetimes in one life;
Most times I am filled with
negativity - I am not deserving of
this, I don't treasure it, I take it for
granted, yet you give me chance
after chance.

You are everywhere, from the
tiny abode in Siem Reap to
the thriving floors of Bangkok,
immediately bringing a sense of
family & familiarity throughout the
world. Wherever your presence is,
feels the same, an oasis of respite
and a peaceful cocoon.

You have gotten me here but,
I have slowed down,
I have gone back a few steps,
My heart is clouded inside,
My eyes are clouded outside.

You help get me where,
I don't drown our your voice,
I make the right choices,
I have no pride,
And I sincerely serve you, serve
Krishna and serve devotees.

Kindly guide me Prabhupada.

Our respectful obeisances are unto you, preaching the message of Lord Caitanyadeva and delivering the Western countries, which are filled with impersonalism and voidism.

O my dearest Prabhupada I was struck with false illusion, attachment and hope from the material world. I believed all that I saw, unknown of the supreme reality and a heart that knew

nothing of God and his glories. I was unhappy and constantly tried to catch Maya Devi to gain her essence. I was a parched desert yearning for the soothing rain of knowledge to quench my unending thoughts and nourish my Barren soul and just on the right time, You held me through your books. Just as the cloud of your knowledge appeared in my Sky of Darkness the peacock of my heart began to dance in ecstasy. You came as rain and gave life to the seeds of love, devotion, truthfulness. Oh dearest goloka man I am not eligible to say even a word, but in darkness of my existence you emerged as the guiding moonlight illuminating the path of my life with your Radiant presence. You are the compass of wisdom that I found amidst the pages of your book guiding me through the uncharted realms of knowledge like a Lighthouse in the stormy sea of ignorance. Your words have

illuminated my path revealing the hidden treasure of understanding. You have become the north star in the constellation of my thoughts leading me towards the boundless Universe of enlightenment. In the library of my life your writings are the timeless manuscripts and you, dearest Prabhupada, are the author of my awakening, please accept this most fallen soul and engage me in your glories and pastimes.

Dear Srila Prabhupada,
Please accept my humble
obeisances. Ever since your very
childhood, you were engaged
in services like worshipping
your mini Radha Govinda deity,
conducting mini Ratha Yatra
ceremony in your colony along
with your friends, and distributing
prasadam. Your father, being a
Vaishnava, had always inspired
and also influenced you. He also
used to request any saintly guest,
"Please bless my child so that he
becomes a servant of Radharani."

When you became older, you
started writing innumerable

books, magazines and
establishing many temples all
around the world, on the order
of your Guru Maharaj. You went
around the world at the ripe age
of 70, just for opening our eyes
to Krishna Consciousness and
reminding us of our real position.
You took all these pains, simply
for our welfare.

It is obvious that you are a nitya
siddha, and you had come
here just to enlighten us with
knowledge. Jnāninas tattva
darsinah (BG 4.34). You can impart
the knowledge upon us because
you have seen the truth. You have
been immensely merciful to us
throughout the years. I pray you
to bless me always to not forget
about you as the cause of all my
spiritual advancements. I also pray
you to never let me forget to think
about Radha and Krishna, even
under the direst of all conditions.

Once, I was lost in darkness,
drowning in the ocean of
nescience, but in due course of
time, by the mercy of Matajis,
Prabhujis and Your inspirational
lectures, my eyes are opened,
dear Guru!

The Bhagavath Gita says,
"sa kāleneha mahatā

"But in course of time the
succession was broken, and
therefore the science, as it is,
appears to be lost."

Dear Guru, you brought us, this
lost science, back to life with
your nectarean books and lovely
lectures... Due to Your aspiring
books, I came into the world of
Krishna's amazement which is
always the source of bliss and
elegance!

Currently, I'm reading Your
sublime masterpiece, "The Quest
For Enlightenment", which teaches
me real truths like Existence
of the Spiritual World beyond
the Material World, Krishna
Consciousness and Peace, Goloka
is the Ultimate liberation and
Reaching Back to Godhead is the
ultimate aim of our life!

Sri Chaitanya Mahaprabhu who
appeared over 500 years ago
predicted that His message of

Krishna Consciousness will be carried to every town and village of this world by a powerful spiritual ambassador. The life and activities of You, Dear Srila Prabhupada, prove beyond doubt that You were the empowered personality who appeared to fulfil this prediction!

Oh Prabhupada! Your unworthy soul here, wants to thank you for all the wonderful dedications you've done for us to go in the right path!!

Thank you for making me get into this association of charismatic Gurus after you, who lead me to Krishna Consciousness! Always engage me in serving Krishna's and Your Lotus feet!!!

Dear Srila Prabhupad,

Hare Krishna. Please accept my humble obeisances. I would like to take this opportunity to thank you for providing us with a lot of books and lectures to help us know about Krishna and to indulge in Spiritual activities.

I have been chanting 16 rounds for little more than 9 months now. I feel like I'm still a newbie to this practice of bhakthi and trying to learn everyday, thriving hard whichever way possible to render service to the supreme lord as much as possible through your teachings. I have listened multiple lectures of yours which has given me the required push and the mercy to engage in Krishna consciousness activities. We are very fortunate to have devotees association around us to engage in activities like monthly satsang, ekadasi fasting practices and to take part in events like ratha yatra and other

celebrations to render possible service to the supreme lord and to hear your lectures and commentaries.

Thank you again for blessing us with abundance of information and to help know the purpose of living.

Kindly forgive my mistakes that I might have done during this time knowingly or unknowingly. I request to show much more mercy and provide strength to me and my surroundings to indulge in all possible ways to render service to the Supreme Lord Krishna over the coming days.

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto you.

One suffering from jaundice is reluctant to take sugar candy, although one knows that is the only medicine to cure the disease. There is a cure for the bodily disease, which is available, but for the internal disease you gave us the benediction of the Hare Krishna Maha mantra which is not easily available. Thank you for giving us your causeless mercy. The Hare Krishna Maha mantra you gave us will act like sugar candy for the jaundice like condition of sense gratification.

One who develops a taste for the holy name will reduce sense gratification eventually. Thank you for your instructions.

Although I know that the Hare Krishna Maha mantra is the only medicine, the mind often tricks and thus falls into the trap of Maya. I am having my own battles within myself every day. I have made mistakes, committed serious offenses. After all the so-called devotee association, my mind is constantly looking at everyone through the lens, thus leading to the grave offense of fault finding. Please forgive me. I have realized now that the process should be right. A sincere devotee is able to quote the scriptures during preaching. Whenever I want to run away from the actions I have performed, You have always shown me the torchlight and guided me to the right path.

Even though our only business is to love God, which is the true

meaning of religion, I have only done it for some incentive causing it to be merely a business deal. But You have always been my support since the beginning. In the material world, there is no unconditional love. It is always a give and take relationship. I have always experienced unconditional love from You and Krishna. Even then when I still don't choose to take my spiritual life seriously, you bring me back to my senses. Even though I have gotten this valuable touchstone from You, my mind is attracted to the false effulgence of the material world.

When I was wandering in this material world you held my hand and took me to the right path just like how our parents hold our hands to teach us how to walk. Thank you for constantly showering your mercy, even though I don't deserve it at all. Thank you for making me realize the importance of this human form of life and time. You have taken so many troubles just to save rascals like me, who have been captured by Maya so firmly. But still I'm so unfortunate that even now, I'm not surrendered completely. Please help me Prabhupāda. I humbly

beg you to increase my faith and engage me in your mission.

Your teachings have been a guiding light, illuminating our spiritual journey. I also thank you for the process you've established to continue our devotion while managing our material world duties.

I acknowledge that there is ample room for improvement for me on the path of devotion to Lord Krishna. Sometimes, I get distracted by everyday life and material desires. I'm asking you humbly for your blessings and help. Please make my devotion to Lord Krishna stronger and help me stay on the right path, even when I'm tempted by the material world.

Your teachings inspire me, and I'm thankful for your guidance. I hope your blessings continue to guide us, and we can become more devoted to Lord Krishna with your help.

Dear Śrīla Prabhupāda,

Please accept my humble
obeisances. All glories to you!

In reverence to you, I pay my ode,
You're the beacon of light on the
spiritual road.

With devotion ablaze, you crossed
the sea,
to fulfil Caitanya Mahaprabhu's
prophecy.
With the Bhagavad Gita and
Bhagavatam in you're hand,
you spread Krishna consciousness
all across the land.

With humility and devotion, you
inspire
countless of souls to rise higher
and higher.

With devotion as you're guiding
light,
you led us from darkness to
eternal sight.

In volumes of writing and
translation so vast,
your infallible instructions forever
will last.

With pen and with heart, you
shared the divine,
in your books, the essence of
Krishna does shine.

In the pages you've penned, a
treasure untold,
countless truths and teachings,
more valuable than gold.
In every word, every verse, every
line,
the knowledge of Krishna, so
sublime.

You are called Kṛṣṇa Kṛpa Murti,
Because you are the
Personification of Krishna's Mercy.
And though the writer of this
poem will definitely fall,
By your mercy, I hope that I will
never forget you at all.

In your mercy, we find hope and
grace,
Guided by your teachings, we
seek Krishna's embrace

By the Remembrance of Krishna,
we'll find our way,
To His lotus feet, where we'll stay,
This is done by Chanting the Maha
Mantra,
Which is offensively done by Your

accept you as captain of the ship

of a human being [SB 1.1.22]

Dear Śrīla Prabhupāda,

Words leave me crippled as I try
to express the overwhelming

gratitude I feel for you. I've never
loved anyone as much as I loved
my mother - her every word,
every instruction meant the world
to me, to the me in this body.
But my relationship with you is
different, Prabhupāda. My trust
in you, faith in your words and
the unshakeable conviction that
you're always looking out for me,
the me independent of the body,
my eternal father, far exceeds
anything I've ever witnessed.

It's been 6 years now since first
being introduced to your books
and the Kṛṣṇa consciousness
movement. And while my utopia-
seeking heart continues to be let
down by this palace of illusions,
at least the harrowing vacuum I
was thus far weighed down by,
has since been replaced by the
light(ness) of your vāṇī.

I'm sorry that even on this
auspicious occasion of your Vyāsa
Pūjā, my crude offering is filled

with, not your glorification, but only incessant supplications. I genuinely feel so deeply inadequate and incapable at the moment Prabhupāda, like a soul in an ICU, waiting for nothing but urgent care at your expert hands to bring it back to life. While you carefully planted the bhakti-latā bīja in this barren heart 6 years ago and watered it with personal attention, the creeper seems to have since shrivelled, desperately waiting for the chief gardener's care to resuscitate it. It seems I lost the ability to distinguish your planted creeper from the mundane ones and in my attempt to water them all, curtailed the only one that mattered. And even through my abhorrent negligence, I know you've continued to constantly look out for me, Prabhupāda – through the association of your impeccable devotees, devotees who exemplify surrender and devotion and demonstrate the power of your spiritual strength, and of course, your children – your Vaikuṅṭha children who teach me what it means to be Kṛṣṇa conscious in every moment of association, and who I'm eternally grateful to get the chance to engage with. So now, while I

feebly attempt to care for this creeper again, I'm fully reliant on your mercy to shower us both with your kindness so that it may finally begin to sprout and fructify. I promise to forever sustain and water this creeper with the sacred water of your books and pray to have no other goal in my life, dear Śrīla Prabhupāda.

My deep fear of commitment has bereft my soul of the freedom found in the fields of surrender. Just like the ability to glorify the Lord is a result of His own causeless mercy, similarly the ability to assist you in your mission comes from your own special grace. I pray that you give me that unshakeable devotion at your lotus feet, Śrīla Prabhupāda, the strength to fully surrender, the sense of urgency to use every moment in your service and to remove all material desires from the bottom of my heart.

I spent most of my life trying to become a good daughter to my parents, a daughter my mother would be proud of. I pray the same to you, dear Prabhupāda, my eternal father. Please help me become your perfect daughter. Not for this life. Not limited to this

body. But for eternity. A daughter who embodies her father's perfect qualities. A daughter who you're proud of. I'm not qualified yet to ask you to make me an instrument at your will, so all I pray is that you please continue looking for this utterly hopeless case, who has no other refuge but you, Śrīla Prabhupāda. And to never ever let go of my hand.

In the realm of spiritual light, a sage did

darkness and fear. Prabhupada, his name,
a messenger of divine grace, His teachings
like a river, flowing in endless embrace. 💖

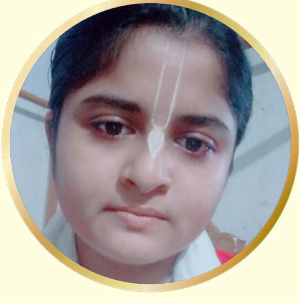

With devotion in his heart and a vision so clear,
He journeyed to the West, dispelling
doubt and despair. In the land of
materialism, he sowed seeds of love,
Guiding souls towards Krishna, to realms
high above. 

A humble servant of God, in saffron robes
he stood, Spreading the Bhagavad Gita, a
book of boundless good. His words, like
sweet nectar, soothing troubled minds,
Awakening souls to the truth, the eternal
that binds. 

In temples and streets, his message did
resound, Chanting the Hare Krishna
mantra, the sacred sound. A melody of
devotion, a song of the soul, Bringing
peace and solace, making broken spirits
whole. 

With humility and grace, he touched hearts
far and wide, A guru and a friend, in him,
many did confide. Prabhupada, your
legacy, a gift to humanity's quest, To find
purpose and meaning, in a world so
distressed. 

In your words and actions, we find a
guiding star, A path to enlightenment, no

I am indebted to you for eternality Srila Prabhupadaji... without you I would still be in ignorance committing so many sins without knowing the effects and without knowing Krishna.

You are the most compassionate and caring Prabhupadaji! Having gone through so much suffering and problems, you never gave up and gave us the solution to going back to Godhead. You have spread Bhakti throughout the world and without it we would still be in the cycle of life and death. Hankering over gain and lamenting over loss

I have no good qualities, no piety, no qualifications to make me

worthy to have found you or ISKM and yet by your mercy I have been shown the correct way.

I am very fallen soul and still can't follow your instructions properly. I hope you will give me the strength to become a dedicated disciple of Yours one day...

My only prayer is that you protect me from Maya so that I don't forget you and I am always in your service and that I always try to follow your instructions to the best of my ability.

I offer my respectful obeisances unto our spiritual master His Divine Grace A.C Bakthivedanta Swami Prabhupada.

In a time of widespread cheating in the name of spirituality , you have gracefully made the essence of pure bakthi available to one and all. you have kindly come and mercifully chaked out an easy and sublime way to attain the highest perfection of our lives.

Without you I would have lived a meaningless and animalistic life filled with filth and illusion. However, It is only by your cause less mercy that I have the opportunity to read your transedental literature and associate with your bona fide diciples who propagate the sublime krishna consious movement without any compromise that I have experienced a stark change in my consiousness and started to

change my ways for the better for my eternally conditioned and bound up soul.

I can never repay your for what you have given me , but I only wish to sincerely surrender onto your lotus feet in this rare human form of life and make the best use of this ever fleeting opportunity.

Time goes fast and consumes our

never long time it lasts;

By your mercy daily rounds were
finished, and completed were the

Felt like not enough advancement
was made due to lack of surrender
and sinful independent past;

Still to you i sincerely allways try
to pray; to never lose your mercy,
and that at your lotus feet i could

Without your mercy i would be

Through many storms and

Your mercy only can make us

In this material world we are

hopeless; only Your causless
mercy can save these souls that
are now lost and useless;

Eventhought im not qualified

more prayer for you today i have:

O my dear Jagat Guru ,you are the boat sent by the creator himself, who came to this earthly abode with the great vow to cross all the souls who have fallen in this ocean of sorrow. I pay my heartfelt respect to your Shree Charan. I am a most fallen soul, was drowning in this great material ocean of sorrow . when I floated to Singapore , suddenly one day by your mercy I met your beloved devotees and the association ,that you have created with the infinite compassion of your heart, just like

a piece of wood floating in the sea by whose grace I can reach the edge. For your this causeless mercy, I will be forever indebted to you.

O my dear Guru Maharaja, you are the best doctor in this material world . you have opened the doors of many hospitals(Shree Shree Radha Govinda temple) for all the diseased beings who are attracted by the illusions all over the world. By struggling hard, you made the medicine(your transcendental books) . For that I offer my respectful obeisances onto your lotus feet.

O my dear Guru Pita, by coming under the umbrella of your hospital and taking the medicine prepared by you, I realized that, who am I? who is my creator ? what is the purpose of my birth?

O my dear spiritual Master, by your kind grace I have started

reading your books, so please
place me at your lotus feet,
shower your blessings on me
so that i can read more of your
transcendental books, may I be at
your service constantly, can chant
the 16 rounds sacred holy name of
supreme Godhead correctly.

O my dear divine messenger,
you have made the treasures
of the nectar of immortality
(Srimad Bhagavad Geeta, Srimad
Bhagavatam , Many more) readily
available to such darken most
fallen souls as I, for that I bow
down to your lotus feet.

O my dear Srila Pravupada ,
please bless me so that I may
acquire all the qualifications to be
your servant of servant.

My dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

Thank you Prabhupada for always guiding me & being so much compassionate upon me.

I want to become the servant of the servant of the servant of your servants.

But, I am so much addicted to sense gratification that I forget all my vows and promises and commit so many offences.

This is preventing me to enter into devotional life.

I feel so regret that how blessed I am to have your association by the mercy of Krishna, still due to being so engrossed in sense gratification that I am not able to take advantage of all these blessings upon me.

As you say, I am taking advantage of eating and sleeping.

Also, I fall into the dandavat class of devotee.

But I don't feel happy at all seeing my spiritual status.

I want to improve my condition.

I always try to stand up but again fall down.

But, I won't give up.

I wish to get initiated.

I aim to rectify my mistakes and improve my sadhana.

Fallen soul,

Dear Srila Prabhupada,

Please accept my humble
obeisances. All glories to you!

I am a very fallen soul wanted to
write a few words at your lotus
feet.

Your books are very great for
me because they help me to
revive my lost consciousness and
to associate with Lord Krishna
whenever I read. When I read
Bhagavad Gita from other authors
I got bewildered and didn't
know how to practise Krishna
Bhakti. But after reading your
book Bhagvath Gita As it is! I
can understand it very clearly
and how to practise Krishna
Bhakti. Your books are excellent
direction for everyone. The whole
Krishna conscious process that
you designed very meticulously
like 4 pillars (no meat eating, no
intoxication, no illicit sex and no
gambling), chanting 16 rounds
of Hare Krishna Maha Mantra
every day, reading your books
everyday, offering food to Lord
Krishna etc., helps one to practise
Krishna Bhakti and clears all the
misbelieves that come while
practicing it. One can very easily
associate with Lord Krishna
by practising the method you

prescribed. Vyasa dev's scriptures (like SriMath Bhagavatham and Bhagavath Gita) are in Sanskrit in those days when Sanskrit was understood by everyone but to interpret and present them to present generation As it is in a simple and easily understandable way is only possible for you.

You are a perfect Guru and I haven't come across such a bonafide spiritual master who not only practised pure Krishna Bhakti but also cared so much to bring back fallen souls to Krishna through his writings, Krishna conscious process etc.,

Please forgive me if I wrote anything wrong.

Yet another day, another failed attempt. Oh Srila Prabhupada, please excuse this rascal. You must be sick and tired of hearing this fool. At this point, I have taken the word "sorry" for granted. I am always repeating the same mistakes and I am so adamant

about falling back down, despite being on the golden plane which can bring me all the way up. I say this with full honesty, not humility.

What do I lack? What do I not have? Krishna has been very merciful to me. He has provided me with everything, even when I don't truly deserve it. All that is lacking now is my sincerity. That Krishna cannot give and I am not willing to give, unfortunately. I am so defiant, complacent and foolish.

My mind is always wandering around, never fixed in your service. I am always thinking about how I can go back to that dungeon of a life. As I said earlier, I have the golden key, but I do not know the value of it myself. I am always thinking of fleeing due to various petty reasons, like getting screamed in the face by seniors, or being told off harshly by many, both of which are actually

stepping stones to spiritual success. I truly want to fix this, and the only way is to seriously take to reading your books profusely on a daily basis. I keep saying this, but I do not know when I'll start. That is my great misfortune.

I just pray that I turn over a new leaf some day or other. Oh please, His Divine Grace, grant me your grace and knock some spiritual sense into this useless bag. I do not know when I will wake up my idea, but I have hope that as long as I stay in the association of your bonafide devotees, I will make it across this ocean of nescience without a doubt. I am sure of this.

I have been trying recently to execute the order of your servant, His Grace Sundar Gopal Prabhu, of going on daily sankirtan programmes. I have also been trying my best to be more disciplined and on task. If there is anything I have realised in the process, it is that only by your mercy can anything be deemed successful at the end. It is ultimately your mercy, not my efforts at all. Out of false ego I might have thought that I have accomplished something big. But that is not the case at all. I have no

caliber. I can't do anything. But my duty is to serve you sincerely and diligently. The rest is the hands of you and the Supreme Lord, Sri Krishna. I therefore beg for your mercy again and again.

Oh, His Divine Grace AC Bhaktivedanta Swami, please do not reject me and be merciful unto me. Please give me another chance to try again. After all, only with your mercy can I do anything. I therefore dedicate this verse unto your divine lotus feet.

*mukam karoti vachalam

yat-kripa tam aham vande
sri-gurum dina-taranam*

"I offer my respectful obeisances unto my spiritual master, the deliverer of the fallen souls. His mercy turns the dumb into eloquent speakers and enables the lame to cross mountains."

Frankly speaking, there are many things that I would like to say, but I don't want to be so full of just words alone. I want to start acting instead of talking uselessly. Enough of these meaningless words describing my flaws that I proudly present to you without

any shame. Not to mention the word jugglery and rhymes that I might have added along the way to make this homage sound nice, although terrible. My ultimate goal has always been to make a show. That's all. What else do I know? Please accept me nonetheless.

According to their karma, all living entities are wandering throughout the entire universe. Some of them are being elevated to the upper planetary systems, and some are going down into the lower planetary systems. Out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bona fide spiritual master by the grace of Kṛṣṇa. By the mercy of both Kṛṣṇa and the spiritual master, such a person receives the seed of the creeper of devotional service.

Kindly forgive my offenses which I did knowingly and unknowingly.

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna, having taken shelter at His lotus feet. Our respectful obeisances are unto

you, O spiritual master, servant of Bhaktisiddhanta Saraswati Goswami. You are kindly preaching the message of Lord Chaitanyadeva and delivering the Western countries, which are filled with impersonalism and voidism.

Dearest Srila Prabhupada,

I am completely fallen and sinful. I can't imagine what my life would be if I didn't know you. My deepest gratitude for lifting me up from a sinful life. No matter how much I thank you it would never be enough for all the mercy that you have showered upon me.

I was drinking poison of this world thinking it would turn into nectar one day. You came into my life and showed me that the actual nectar is 'Hari Naam'. You are such a sincere servant of Caitanya Mahaprabhu who preached His

name far and wide. I sincerely pray to you that I can have at least little of that strength to preach.

You are such a great servant of Krishna. At the age of 70, you survived 2 heart attacks, travelled the world 14 times to give the treasure of Krishna to as many souls as possible.

Even the dictionary falls short of words to describe your courage and determination.

Thank you so much for spending all your valuable efforts writing and publishing books. They are not just books to me. As you have said, you live in them, whenever I read them, I feel that you are talking to me. They are not just books; they are the Greatest Treasure of this fallen age.

With all humility I thank you for giving me the mercy of Krishna. Although I am so fallen and sinful, you are so kind to hold my hand and guide me like a Father. As a father always guides a child even if he does wrong, You have always forgiven and guided me during my most difficult times. Thank You for being such a Kind and Merciful Father!

Again, I thank you for forgiving me for all the sins I have done and accepting me as your child. You have created such a Beautiful family where everyone only speaks about Krishna. Thank you for this family that you have given us.

Hare Krishna!

Yours sincerely,

Hare Krishna
Jai Srila Prabhupada

The day when I have seen a video in youtube about ISKCON and my sister told me more about it , I was just fascinated to know about it , to know about SRILA PRABHUPADA. I was amazed to know about his journey. In India, even the Hindu people don't know about their culture . And people of foreign are promoting our culture just because of PRABHUPADA and his efforts . It was really shocking for me and at the same time I was ashamed of myself too . As I am from hindu brahmin family but I still do not follow anything from my culture .

But by mercy of prabhupada i am here writing the vyasa pooja. I cannot even imagine how terrible my life was . what if I never know about prabhupada , I would have been living just a hellish life with committing sins ,without any

gratitude , without any meaning of my life .

Prabhupada have saved so many of us . By his mercy I have got association of devotees , and the association is everything. As I am beginner in krsna consciousness , so sometimes it's difficult for me to be consistent in krsna consciousness but the devotees keep me motivated .

After getting every lessons I just think it's the only chance that PRABHUPADA revealed to us , the chance to go back to our real destination , to realize our real self , to attain the highest perfection and to get freed from these miseries.

DEAR PRABHUPADA

Thank you for showering your mercy to us , thank you for giving the truth ,thank you for making the access easy , thank you for awakening us from this material

world, full of miseries . Thank you for thinking that I am even capable of your mercy . Thank you for giving us , your and krsna's love and mercy .

Even I have mentioned thankyou so many times but it is not sufficient to thank you . I am so foolish that I am thanking you in some words but its limitless and wordless .

Dear Srila Prabhupad,

I offer my humble obeisances at your lotus feet. As I write this letter, I am filled with deep gratitude for the blessings and guidance that have come into my life through your teachings and the association of devotees.

First and foremost, I want to express my heartfelt thanks to you for introducing me to two incredible souls, Krishna Chaitanya Das and Balaram Kripa Das. They have been instrumental in shaping my spiritual journey over the past six months. Their wisdom and dedication have provided me with invaluable motivation, and I am truly fortunate to be a part of their association in an important junction of my life.

I have started chanting the Hare Krishna Maha Mantra daily. It has not only become a part of my

daily routine but also a source of inner peace and connection with the divine. I have experienced moments of clarity and profound spiritual insight during my chanting, which I attribute to your divine grace and the potency of the holy name.

Today, I want to take a step further in my spiritual journey. I pledge to slowly begin observing Ekadasi fasting as a means to deepen my devotion and self-discipline. I understand that this practice will require commitment and sacrifice, but I am eager to embrace it as a way to purify my heart and draw closer to Lord Krishna.

Srila Prabhupad, I seek your continued blessings and guidance as I embark on this new phase of my journey. Please grant me the strength and determination to uphold this vow and progress steadily on the path of bhakti.

Furthermore, I humbly request your divine mercy and blessings to help align my family further into the spiritual world. It is my heartfelt desire that my loved ones may also experience the profound joy and fulfillment that come from a life dedicated to Lord Krishna. Please guide me in being an instrument of your divine will and in sharing the teachings of bhakti with my family in a way that resonates with their hearts.

As I strive to become a more dedicated and sincere devotee, I remain indebted to you for illuminating my path with the timeless wisdom of the Vedas and the love of Lord Krishna.

With profound respect and unwavering devotion.

To Dear Jagadguru Srila
Prabhupada,

I offer you my humble obeisances,
and dandavat pranams at your
lotus feet.

Let me begin by expressing
feelings of gratitude, and devotion
unto you. You came to my life
two years ago on the month of
September through your servants
and devotees of Iskcon Pondicherry.
Ever since that day, a world of
Devotion and spiritual knowledge
has graced the chambers of my
heart.

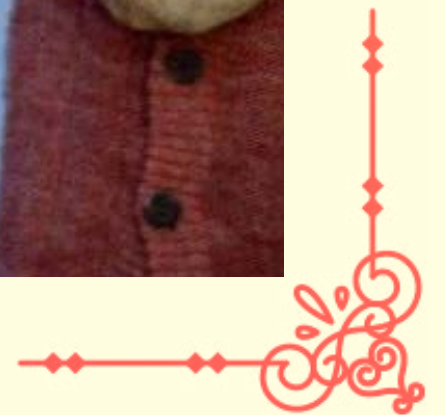

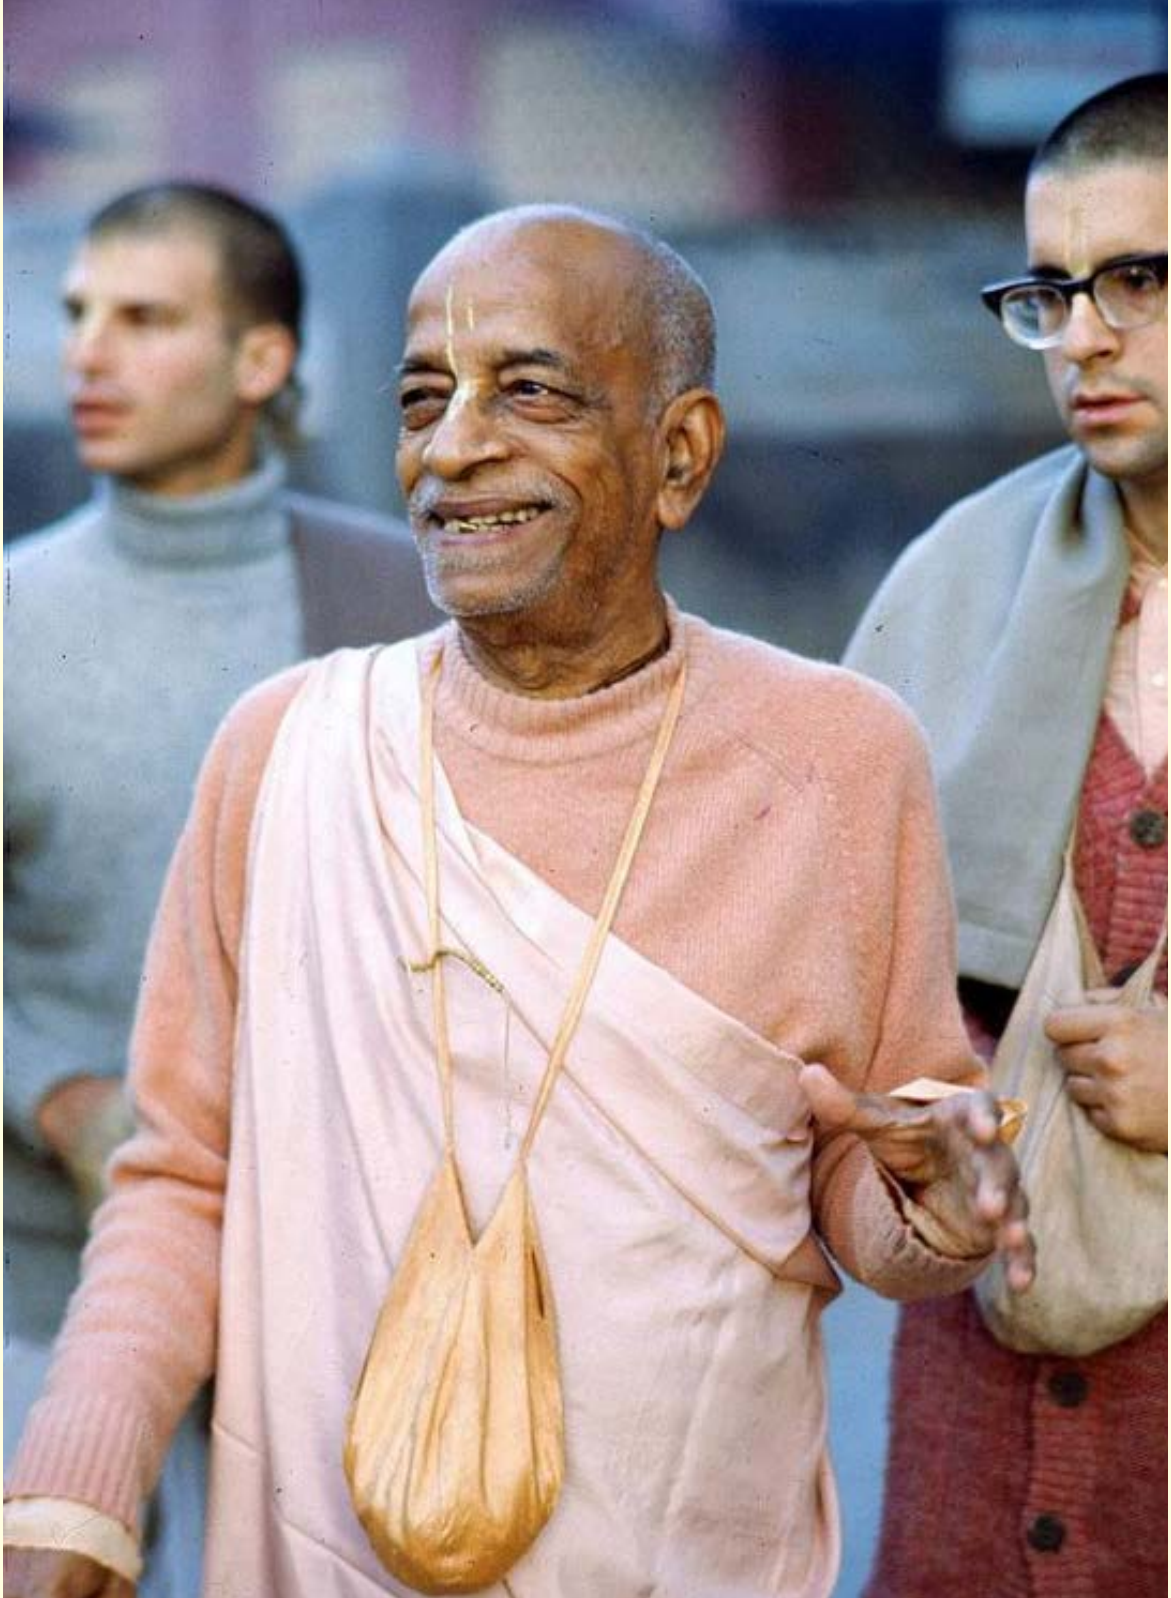

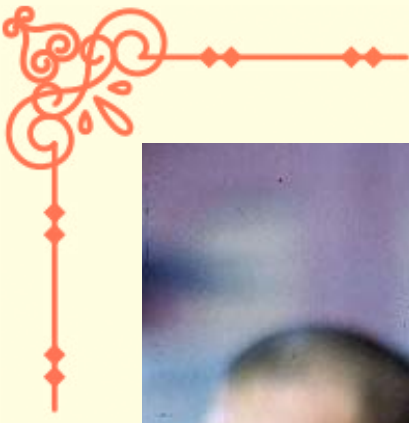

When your messages came to
my life, i was in a distressed
state of life or an āṛta, being
confronted with an illness
that affected me spiritually,
emotionally, and physically. And
as such i had doubts as to how
it would improve my condition
of life. But nevertheless thinking
myself that this would be a divine

intervention, i agreed to join Iskcon
and delved deeper into your
books, and sadhana, along with
whatever little services i could
offer at least being online.
Then by your mercy, and the
lord's blessings after almost 9
months from joining, i found a way
to counter my illness and soon
following it, it had completely
gone away taking away my
sufferings which had caused
me so much trouble to even
function socially. No doctors, no
medicines but by your mercy, and
the recitation of the Lila's of The
Supreme Personality Of Godhead
saved me. Had i turned down
the offer to join Iskcon and your
teachings, i can say for sure that
i would have suffered till the very
end.

Besides that i offer my gratitude
for having given me an
opportunity to associate with
the wonderful devotees of Iskcon,
it's Acharya's and to learn from

the teachings of Lord Chaitanya,
and his disciples by your grace.
Still there is a lot of room for
improvement in my life, and by
your mercy i hope to overcome all
the burdens and temptations of
material life. Please guide those
of us who are in this path, and still
those who are yet to enter this
path who are currently suffering
in this world by not yet having
access to these transcendental
teachings.

All glories unto You, all glories
to The Vaishnavas. Jai Srila
Prabhupada, Hare Krishna.
